1.01 Rule 1 follows the model of Rule 1 of the Regulations under the Singapore Treaty on the Law of Trademarks of 2006. On substance, the provision is based on Rule 1 of the Lisbon Regulations, as adapted in accordance with the provisions of the Draft Revised Lisbon Agreement.

NOTES ON RULE 2: CALCULATION OF TIME LIMITS

2.01 The provisions of this rule are based on those contained in Rule 2 of the Lisbon Regulations.

NOTES ON RULE 3: WORKING LANGUAGES

3.01 The provisions of this rule largely reproduce those contained in Rule 3 of the Lisbon Regulations, as adapted in accordance with the provisions of the Draft Revised Lisbon Agreement.

NOTES ON RULE 4: COMPETENT AUTHORITY

4.01 This rule is drafted in accordance with the practice that has developed under Rule 4 of the Lisbon Regulations.

4.02 As regards the responsibilities of Competent Authorities, reference is made to Article 3 of the Draft Revised Lisbon Agreement. In addition, Rule 4(1) makes clear that the name the name and contact details of the Competent Authority must be notified at the time of accession.

4.03 Paragraph (2) should be seen in light of the fact that, unlike in other areas of industrial property, there may be more than one authority in a Contracting Party that is responsible for the grant of protection in respect of appellations of origin.

4.04 Paragraph (3) has been drafted in recognition of the practical experience of the International Bureau with regard to changes of the name or of the contact details of a Competent Authority.

NOTES ON RULE 5: REQUIREMENTS CONCERNING THE APPLICATION

5.01 Paragraph (1) corresponds to Rule 5(1) of the Lisbon Regulations, as adapted in accordance with the provisions of the Draft Revised Lisbon Agreement.

5.02 The provisions of paragraphs (2) and (3) correspond to those of paragraphs (2) and (3) of Rule 5 of the Lisbon Regulations, as adapted in accordance with the provisions of Article 5 of the Draft Revised Lisbon Agreement. Under item (vi) of paragraph (2), where a Contracting Party of Origin provides for the registration of appellations of origin or geographical indications, the application is to indicate the registration number under which the appellation of origin or the geographical indication is protected in the Contracting Party of Origin. Where a Contracting Party grants protection by means of, for example, ministerial decrees or court decisions, the application is to indicate the title of such decree or decision.

5.03 The provisions of sub-paragraphs (2)(vii) and (3)(vi) correspond to those of Rule 5(3)(vi) of the Lisbon Regulations, which was adopted by the Lisbon Union Assembly in September 2011 and entered into force on January 1, 2012. They are presented as alternative

options in view of the divergent views expressed in previous sessions of the Working Group as to whether the provisions should be mandatory or optional.

NOTES ON RULE 6: IRREGULAR APPLICATIONS

6.01 The provisions of this rule largely reproduce those contained in Rule 6 of the Lisbon Regulations, as adapted in accordance with the provisions of the Draft Revised Lisbon Agreement.

NOTES ON RULE 7: ENTRY OF THE APPELLATION OF ORIGIN IN THE INTERNATIONAL REGISTER

7.01 Paragraph (1) is modeled on Rule 7(1) of the Lisbon Regulations but has been adapted to reflect the fact that the International Register would incorporate the registrations effected under both the Lisbon Agreement and the Draft Revised Lisbon Agreement (see Note 4.01 on the Draft Revised Lisbon Agreement document LI/WG/DEV/7/4). As long as not all States party to the Lisbon Agreement have joined the Revised Lisbon Agreement, the International Register should reflect for which States a registration is governed by the Lisbon Agreement or by the Revised Lisbon Agreement. Of course, to the extent an application originates in a Contracting Party that is party to both Agreements, the International Bureau must examine the application not only on the basis of the requirements of the Revised Lisbon Agreement, but also on the basis of the requirements that apply under the Lisbon Agreement.

7.02 The provisions of paragraphs (2) and (3) of this rule largely reproduce those contained in Rule 7 of the Lisbon Regulations with regard to the contents of registrations, the registration certificate and the notification of new registrations, as adapted in accordance with the provisions of the Draft Revised Lisbon Agreement.

7.03 A new paragraph (4) was added though, to address the situation concerning international registrations of appellations of origin already recorded under the Lisbon Agreement, once the mutual relations between two States become governed by the provisions of Article 31(1) of the Draft Revised Lisbon Agreement.

NOTES ON RULE 8: FEES

9.02 As reflected in the adopted Report of the fourth session of the Working Group (document LI/WG/DEV/4/7, paragraph 199, the Chair concluded from the discussion on Article 18 of the Draft New Instrument contained in document LI/WG/DEV/4/2, that the time limit for the notification of refusals should be presented in the Draft Regulations. In this regard, reference is made to Articles 15(1) and 29(4) of the Draft Revised Lisbon Agreement as well as the Notes on those provisions (Notes 15.03 and 29.02).

9.03 Further, Rule 9(2)(iv) is proposed in order to address the specific situation of international registrations refused in part by a Contracting Party because of the possible coexistence under the legislation of such Contracting Party with a prior right, notably a homonymous geographical indication or appellation of origin. By way of example, reference is made in this regard to paragraph 135 of the adopted Report of the fourth session of the Working Group (document LI/WG/DEV/4/7).

NOTES ON RULE 13: NOTIFICATION OF INVALIDATION OF THE EFFECTS OF AN INTERNATIONAL REGISTRATION IN A CONTRACTING PARTY

13.01 The provisions of this rule reproduce those contained in Rule 16 of the Lisbon Regulations, including the amendment adopted by the Assembly in September 2011, as adapted in accordance with the provisions of the Draft Revised Lisbon Agreement.

13.02 Compared to the provisions of Rule 16 of the Lisbon Regulations, it is proposed to mirror in subparagraph (iv) not only the situations covered by Rule 9(2)(v) of these Draft Regulations, but also the specific case of homonymous geographical indications and appellations of origin, as covered by Rule 9(2)(iv).
