Action Inspiration: IPO Green as a Resource
• IPO Green initiative to support IPOs in implementing green technology support activities (concept notes available in English, French & Arabic)
• Presentation by a few IPOs at the meeting who have done or are planning to implement green technology and SDG support initiatives (to be identified beforehand)
• How to support SME development in the green technology space? – refer to barriers identified in morning
• Other out-of-box ideas.

Format: Interactive brainstorming-like session. Pointers from previous sessions brought back into the discussion. Goal that participants develop ideas for implementation they can bring back home, based on inspiration from the sessions and one-another. Follow-up with WIPO GREEN subsequently for action e.g. in the form of an implementable action plan to be coordinated by the Arab Division.
