from 1.00 p.m. to 2.45 p.m.**

WIPO Headquarters, Room NB 0.107

A light lunch will be provided to participants

WIPO | Re:Search
Sharing Innovation
in the Fight Against
Neglected Tropical Diseases

Join **WIPO Re:Search**, WIPO's public-private partnership for global health, for a lively panel discussion followed by a presentation of the new **WIPO Re:Search Resource Platform** – an interactive tool that facilitates information sharing for medical research. During the side event, you will hear firsthand from panelists representing academia, government and industry about collaborations among **WIPO Re:Search** partners to advance research and development for malaria. You will also learn about recent capacity-building successes made possible through the **WIPO Re:Search Fellowship Program**, supported by **Australian Funds-in-Trust**.
