

Digital Access Service (DAS) for Priority Documents

SCIT/SDWG/11
October 26 to 30, 2009

Encouraging creativity and innovation

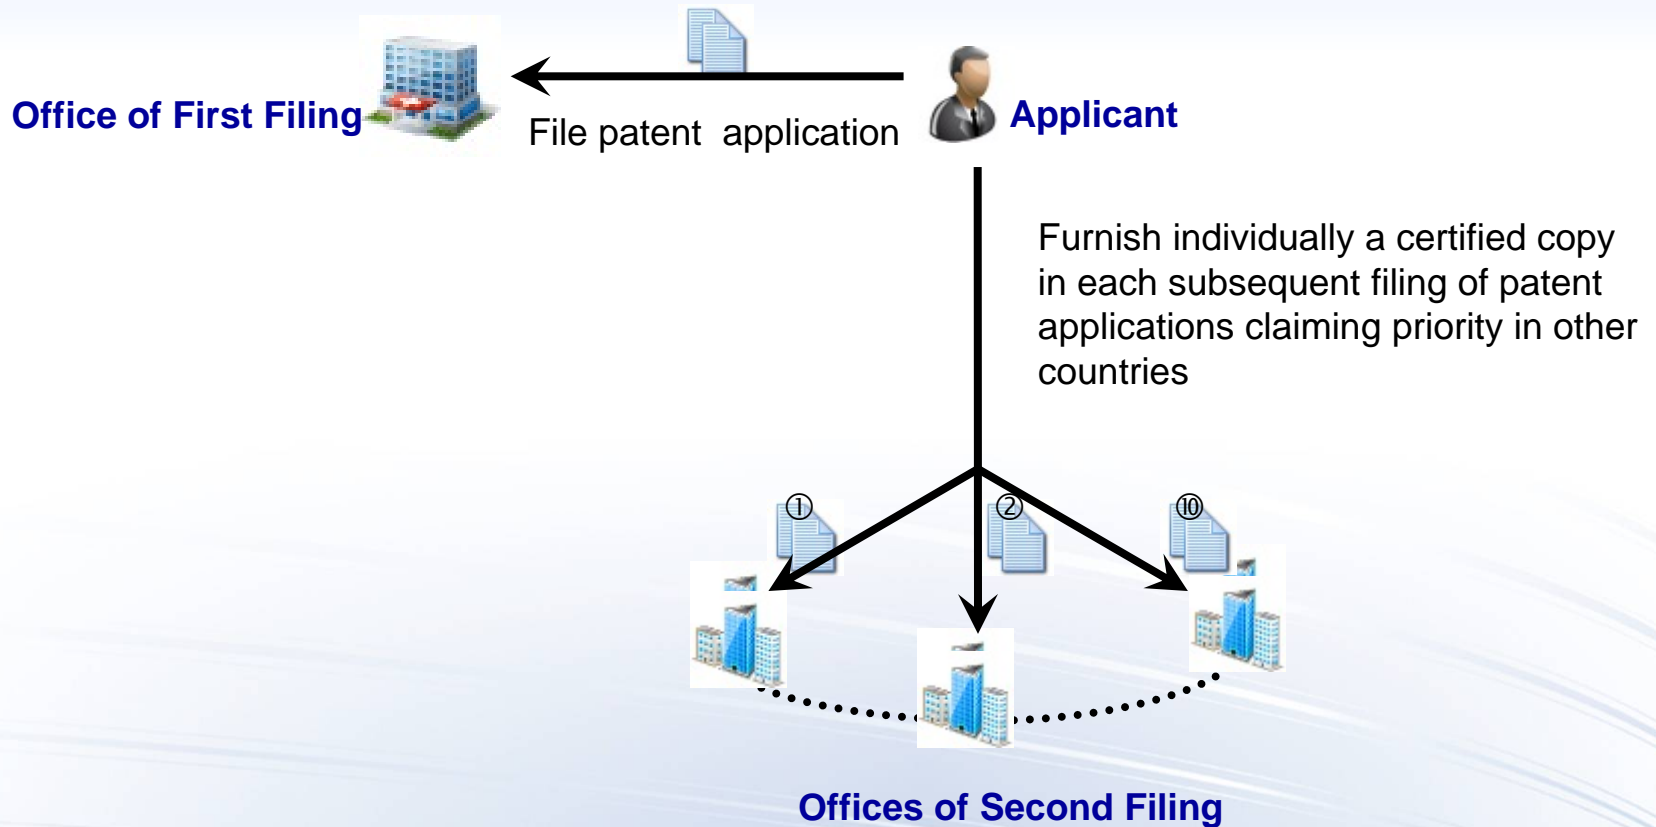

WORLD
INTELLECTUAL
PROPERTY
ORGANIZATION

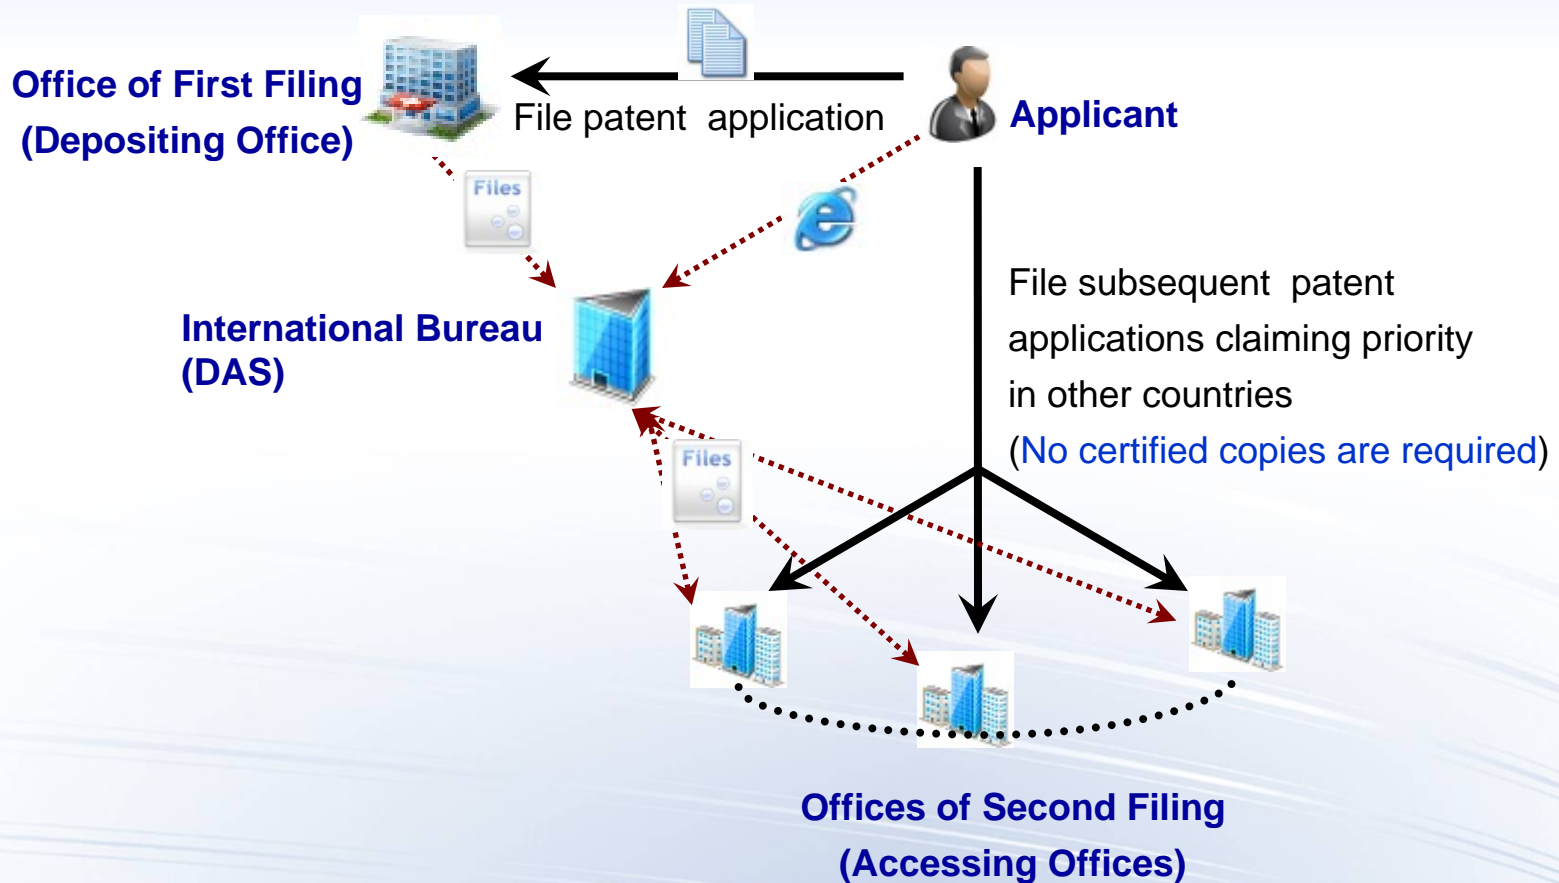

System Objective

- System administered by the International Bureau to facilitate transfer of priority documents between:
 - Offices of First Filing (OFF) or Applicants
 - Offices of Second Filing (OSF)

Traditional Route

DAS Exchange

Participating Offices

- Already operational
 - ES Spanish Patent and Trademark Office
 - GB United Kingdom Intellectual Property Office
 - IB International Bureau
 - JP Japan Patent Office
 - KR Korean Intellectual Property Office
 - US United States Patent and Trademark Office

The Future

- Allow retrieval of p-docs needed for PCT
 - Administrative instructions need updating
- Enhance management of users and access permissions
 - Provide an account based access to DAS portal
 - Better management of access permissions
- Facilitate participation in DAS for small offices
 - Offer Office portal facilities
- Extend DAS to other types of documents
 - Translations of p-docs, search report,...
 - Utility models
 - Trade marks, designs
