STANDING COMMITTEE ON THE LAW OF TRADEMARKS, INDUSTRIAL DESIGNS AND GEOGRAPHICAL INDICATIONS

Eighth Session
Geneva, May 27 to 31, 2002

PROPOSALS FOR FURTHER HARMONIZATION OF FORMALITIES AND PROCEDURES IN THE FIELD OF MARKS

Document prepared by the Secretariat
1. The revised Program and Budget for 2002-2003 includes under Sub-Program 05.2, "Law of Trademarks, Industrial Designs and Geographical Indications", the following activities (see document WO/PBC/4/2, page 53):

"Convening of four meetings of the SCT (and any Working Group set up by this Committee) to consider current issues, including:

- the revision of the Trademark Law Treaty (TLT) to address, *inter alia*, the creation of an Assembly, inclusion of provisions on electronic filing, and the incorporation of the Joint Recommendation on Trademark Licenses; [...];

- the desirability and feasibility of harmonizing substantive trademark law, including the protection for new trademarks (sound, smell, three-dimensional marks, etc.), the requirements for use of a mark prior to registration, substantive grounds for refusal, etc.; facilitation of discussion in the SCT to incorporate in this framework the Joint Recommendation concerning provisions on the protection of well-known marks, and the Joint Recommendation on the protection of marks and others industrial property rights in signs, on the Internet."

2. During the 1998-1999 and 2000-2001 Biennia, the Standing Committee on the Law of Trademarks, Industrial Designs and Geographical Indications (SCT) devoted its time to the negotiation and finalization of provisions on well-known marks, trademarks licenses and the protection of marks on the Internet. This work was concluded with the adoption at a joint session of the Assembly of the Paris Union for the Protection of Industrial Property and the General Assembly of the World Intellectual Property Organization (WIPO) of a Joint Recommendation Concerning Provisions on the Protection of Well-Known Marks (Thirty-Fourth Series of Meetings of the Assemblies of the Member States of WIPO - September 20 to 29, 1999), of a Joint Recommendation Concerning Trademark Licenses (Thirty-Fifth Series of Meetings of the Assemblies of the Member States of WIPO - September 25 to October 3, 2000) and of a Joint Recommendation Concerning the Protection of Marks, and Other Industrial Property Rights in Signs, on the Internet (Thirty-Sixth Series of Meetings of the Assemblies of the Member States of WIPO - September 24 to October 3, 2001).

3. At the sixth session of the SCT (March 2001) and at the seventh session (December 5 to 7, 2001), when discussing the future work of the Committee, a number of delegations and representatives of governmental and non-governmental organizations have expressed the wish to consider issues related to further harmonization of laws for the protection of marks (see Document SCT/6/6, paragraph 222 and SCT/7/4 Prov., paragraph 91).

4. The present document therefore deals with harmonization of formalities and contains in Annex, suggestions of drafts articles for consideration in the perspective of further harmonization of formalities and procedures in the field of marks, which could lead to a revision of the Trademark Law Treaty (TLT). It takes into account the developments of techniques and the need to further simplify formalities as suggested by the SCT Member States during earlier SCT sessions. Moreover, this document tries to harmonize the TLT
provisions with similar provisions of the Patent Law Treaty (PLT) adopted by WIPO Member States in 2000. These proposals, which are annexed to this document, only constitute preliminary suggestions for discussion and should not be considered as definitive proposals. Moreover, this document does not address, at this stage, the questions relating to the form of adoption of the provisions and the administrative and final clauses.

5. A second document (SCT/8/3) gives preliminary indications of the substantive matters which could be discussed in the perspective of harmonization of substantive trademark laws.

6. *The SCT is invited to consider and comment on the proposals as contained in the Annex to this document.*
