Conduct of Sessions
and Method of Work

Duration of Sessions

The Assemblies will take place at the headquarters of WIPO from September 30 to October 9, 2019. Access to WIPO will be possible as from 7.45 a.m. on Monday, September 30, 2019, in order for badges to be collected in a timely manner (more information on badge collection is provided under the section “Conference Badges”).

Daily sessions will run precisely from 10 a.m. to 1 p.m. and from 3 p.m. to 6 p.m. In the interest of efficiency, sessions will start on time and there will be no coffee breaks (complimentary coffee/tea will be available in the morning and in the afternoon outside the plenary room). Delegates are urged to arrive in good time. If necessary, night sessions (from 7 p.m. onwards) will be organized. Unless otherwise indicated, there will be no weekend meetings.

Seating Order

A briefing session for permanent missions on the organization of the Assemblies will be held on September 23, 2019. During this briefing, a letter of the alphabet will be drawn in order to determine the seating order for delegations at WIPO meetings during the forthcoming year.

The precise seating arrangements for the Assemblies will be finalized on the basis of the online registrations received and the drawn letter. A seating map will be made available at the entrance to the plenary room.

Requests to Take the Floor

Delegations wishing to take the floor on any agenda item are strongly encouraged to send their requests in advance (in particular for Agenda Item 5 – General Statements), preferably up to the day before the discussions on the item. Requests should be sent to assemblies@wipo.int. Delegates may also request the floor during the discussions.

Interpretation

During the plenary meetings, simultaneous interpretation will be available in English, Arabic, Chinese, French, Russian and Spanish, as well as from Portuguese into the other six languages.

In order to ensure the highest quality of interpretation for the benefit of the speakers and of all delegations, interpreters should receive a copy of prepared statements (even in draft form) ahead of their oral delivery. This
is particularly important for longer statements, such as General Statements under Agenda Item 5. Prepared statements should be sent as early as possible (at the latest on the morning of their delivery) to Ms. Christina Fertis, Chief Interpreter (christina.fertis@wipo.int) or handed to the WIPO Conference staff. The statements will be made available to interpreters prior to delivery, in order to assist them in faithfully transmitting the messages of delegates.

If that statement can be posted on the WIPO website after delivery, it may also be sent to assemblies@wipo.int (the text should indicate “Check Against Delivery”).

**General Statements**

General Statements (Agenda Item 5) are expected to take up the first day and part of the second day of the Assemblies. As per previous practice, and in order to minimize the need for night sessions, General Statements should be delivered orally, within five minutes if delivered by group coordinators on behalf of their members (approximately 650 to 800 words, read at a speed that allows for accurate interpretation) or within three minutes if delivered by individual country delegates (approximately 390 to 480 words). The time limit will be strictly applied and a display system will assist delegates to adhere to it.

In the interests of efficiency, delegates wishing to take the floor are invited to reduce courtesies to a minimum, so as to enter into the substantive elements of their statement without delay. Furthermore, as group statements represent the position of all group members, individual delegates do not need to refer to them or restate positions already stated by the group coordinator.

If a statement cannot be delivered at a speed that allows for accurate interpretation within the prescribed time limit, it should be summarized orally and the full version submitted in writing to the Secretariat (assemblies@wipo.int). In the interests of time, delegations may also choose to submit their entire General Statement in writing and not take the floor.

Each General Statement submitted in writing to the Secretariat will be posted on the WIPO website after delivery. All statements, including those not delivered orally, will be reproduced in their entirety in the report.

**Report of the Meeting**

In order to facilitate the drafting of the report of the meeting with the fullest and most accurate record of all interventions, delegations are requested to submit a written version of all their prepared statements as soon as possible after delivery, preferably on the same day. Statements can be submitted on paper on the spot to any WIPO Conference staff or by e-mail to assemblies@wipo.int.
Registration of Delegates and Credentials

Online Registration

Note: Organizations must enjoy observer status at WIPO before any individual(s) representing them can register for this meeting. Procedures for organizations to request observer status are available on the WIPO website.

In order to avoid delays on the first day of the Assemblies, and in accordance with the invitation circular sent on March 20, 2019, to Member States and Observer Organizations accredited to WIPO, delegates from capitals and those based in Geneva are kindly requested to register online by September 13, 2019.

The secure code for online registration was provided in the invitation circular sent on March 20, 2019, to Member States and Observer Organizations accredited to WIPO.

Online registration is easy and consists of completing a short online form. This can be done in a few minutes by the delegate or by a staff member on the delegate’s behalf. The submission of credentials is a pre-requisition for the completion of the online registration form. The credential document should be a dated and signed/stamped note verbale, official letter or document, originating from a competent authority of a Member State or Observer Organization accredited to WIPO, nominating the delegate to attend the Assemblies on behalf of that Member State or Observer Organization. The invitation circular issued by WIPO or a credential for another WIPO meeting cannot be considered as a valid credential for the Assemblies and should not be uploaded as such.

Once registered online, each delegate receives by e-mail a registration number confirming the registration for the Assemblies. All registrations are subsequently verified by the Secretariat, which may individually contact a registered participant, if required (for instance, in case of questions regarding the credential document).

Any questions or comments on the online registration procedure may be addressed to assemblies.registration@wipo.int.
Conference Badges

Participants are advised to arrive at the WIPO Access Center well in advance of the start of the conference in order to clear security screening prior to picking up their badges.

Badges will be issued with delegates’ photographs. Geneva-based permanent mission delegates who already have a valid United Nations photo badge may use that photo badge, together with the Assemblies conference badge (which will be provided without a photo). Other delegates will be provided with an Assemblies badge that will incorporate the delegate’s photo. Advance provision of JPEG-format photos of registered participants would be very much appreciated, in order to accelerate on-site badge retrieval, particularly on the opening morning of the meeting. Delegates who have not sent a photo in advance may experience delays upon their arrival at the venue of the meeting while a photo badge is produced on-site.

Kindly send a passport-type photo in JPEG-format (size: 2 x 2 inches [51 x 51 mm], square digital image of at least 600 x 600 pixels, or scanned at a resolution of 300 pixels per inch). The photograph should be taken in full-face view directly facing the camera with a white/off-white background. Photographs taken using smartphones are acceptable. When sending the photo, please indicate the name and/or registration confirmation number of the participant and send it to the following address: security.conferencebadging@wipo.int

In order to obtain the official conference (admission) badge, it will be necessary to produce, upon arrival at WIPO, the registration confirmation received by e-mail, together with a photo identification document (ID) and the original of the credentials previously uploaded onto the online registration form.

Conference badges may be collected at the registration desk in the WIPO Access Center at 34 Chemin des Colombettes (north side of the WIPO AB Building: Tel: +41 22 338 7942), as follows:

- Friday, September 27, 2019, from 1.30 p.m. to 6.30 p.m.;
- Sunday, September 29, 2019, from 2.30 p.m. to 5.30 p.m.; and
- Monday, September 30, 2019, from 7.45 a.m. onwards.

The registration counters in the WIPO Access Center will be open each day during the Assemblies. Although registration counter coverage will be increased on the morning of the opening day, delays may be experienced between 9 a.m. and 10 a.m. In order to avoid such delays, delegates are invited to collect their badges on Friday, September 27, 2019,
or Sunday, September 29, 2019, in the afternoons or as early as possible on Monday, September 30, 2019.

Delegates from Member States may have their badges collected by an authorized representative of their permanent mission in Geneva subject to providing, in advance, the names and registration numbers of the delegates concerned and the approximate time of pick up. Please contact Ms. Laurence Nicolo or Mr. Abdelhak Chaieb (meetings@wipo.int; Tel: +41 22 338 9949 or +41 22 338 9591).

Any lost badge should be reported without delay to the WIPO reception desk.

**List of Participants**

A provisional list of participants will be distributed on the first day of the Assemblies. It will include the online registrations received up to 5 p.m. on Friday, September 13, 2019.

Online registrations submitted after that deadline will not be reflected in the provisional list of participants.

**Visas**

Attention is drawn to the strict provisions in force regarding entry into Switzerland and particularly the requirement by the Swiss authorities to provide biometric data (10 fingerprints and facial image). This implies that applicants must be present in person at a Swiss Representation in order to submit and register biometric data (this may even require traveling to a neighboring country). It is important to note that the Swiss authorities will not authorize entry into Switzerland without the required Schengen visa and will not deliver entry visas on arrival. Delivery of the required visa (Schengen visa) may take up to 21 days. Therefore, potential travelers should file their visa applications between three months and, at the latest, three weeks before departure. Delegates requiring a visa to enter Switzerland are invited to contact WIPO at e-mail address: visa.mail@wipo.int and copy assemblies@wipo.int for assistance.
Funding of PCT and Madrid Delegates

Requests for Funding

In accordance with the circulars (C. PCT 1565 and C. M 1482) sent on May 31, 2019, to WIPO Member States, the travel expenses and daily subsistence allowance (DSA) of one delegate from each member of the Patent Cooperation Treaty (PCT) Union and/or the Madrid Union will be financed by WIPO at the express request of any concerned member, provided that the required designation form is completed and returned to WIPO by 5 p.m. on August 30, 2019. The circulars referred to above contain all details and attachments necessary for the submission of requests for funding. As only one delegate from each member of each Union (PCT and/or Madrid) can be funded, members are invited to return only one designation form for each Union.

Travel Expenses and DSAs

Each financed delegate will be contacted individually after submission of the designation form and provided with the appropriate arrangements for travel expenses. The travel procedures are in accordance with the decisions of the Member States aiming at simplifying administrative procedures, reducing travel costs and ensuring that resources are used efficiently.

Financed delegates may request payment of their DSAs by bank transfer or, alternatively, collect a payment order for their DSAs at the finance desk in the lobby of WIPO AB Building on Monday, September 30, 2019, from 8 a.m. to 4.30 p.m., and on Tuesday, October 1, 2019, from 8 a.m. to 4.30 p.m. Thereafter, the following WIPO staff may be contacted: Ms. Isabel Rincon Hercules (Tel: +41 22 338 88 99), Ms. Sylvia Moita (Tel: +41 22 338 9730), Ms. Eve Duperthuy (Tel: +41 22 338 9747) or Ms. Elvira Roka (Tel: +41 22 338 7245). Please refer to the section “Bank and Post Office” for additional information.

Unplanned Early Departure

In the case of an unplanned early departure, a financed delegate should immediately inform the WIPO Secretariat travel and finance services by e-mail (assemblies.financing@wipo.int) or by phone (Tel: +41 22 338 7237). Arrangements will be made at the delegate’s convenience so that any overpaid DSAs can be reimbursed before departure, thus avoiding the administrative burden imposed by a
reimbursement from home by bank transfer.

In case of early departure or other reasons, ticket changes can be made provided the tickets have been purchased/issued by WIPO through WIPO’s travel agency (Carlson Wagonlit Travel (CWT)). Travelers are invited to call +41 22 338 7800 or send an e-mail to wipo.ch@contactcwt.com. Any difference in fare shall be borne by the traveler and by providing a personal credit card number to CWT. Travelers can also contact Ms. Martha Dorthe or Ms. Maria Margarita Sanchez (assemblies.financing@wipo.int; Tel: +41 22 338 7237 or +41 22 338 8417) or the Travel Team (Tel.: +41 22 338 9050) for assistance.

Documentation

Information and documentation on the Assemblies are available online as follows:

- information on the Assemblies
- agenda of the Assemblies and links to the documents of each agenda item

To contribute positively to an environmentally-friendly meeting and reduce costs, Assemblies documents are posted on the WIPO website for downloading. Hard copies of documents will not be sent in advance unless specifically requested. All documents are available in English, Arabic, Chinese, French, Russian and Spanish, and in accessible format for those who are print-disabled.

The Assemblies document counter is located outside the plenary room. Paper copies of documents will be limited and made available on a daily basis for items scheduled for discussion on that day. Delegates are strongly encouraged to come to the meetings with pre-printed copies of documents and/or to use portable computers and devices.

Delegations wishing to circulate documents on paper may inquire with the document counter.

Meeting rooms will be assigned for regional group meetings during the Assemblies. Group coordinators will be advised in advance of the room assignments.

To facilitate planning and service arrangements, group coordinators are kindly requested to inform the WIPO Conference Section on a daily basis (or more often, if changes arise), of the anticipated schedule of their group meetings (Ms. Antonella Russo: +41 22 338 7107; meetings@wipo.int). Interpretation requirements should be received as soon as possible and no later than 10.30 a.m. for afternoon meetings and 4 p.m. for meetings on the following morning (christina.fertis@wipo.int). Confirmed group meetings will be announced on the WIPO electronic display panels.

There is very limited availability of rooms at WIPO for bilateral meetings. Requests for room reservations at WIPO should be addressed to the Conference Section (meetings@wipo.int). Practical Information on Geneva

Hotels

Accommodation in Geneva is often in high demand and it is recommended that delegates make hotel bookings well in advance. WIPO does not have a hotel reservation service so delegates should book hotels directly or through their permanent missions.

Information and hotel bookings are available at the Geneva tourism website and the Assemblies website has a list of negotiated hotel rates issued by the United Nations Office at Geneva (UNOG).

CAGI offers logistical support for delegate accommodation and may grant financial assistance to delegates from least developed countries (LDCs) and from non-governmental organizations (NGOs) that meet the eligibility criteria.

Public Transport and Taxi Services

Delegates arriving at Geneva airport can obtain a free public transport ticket valid for an 80-minute journey within the Geneva area. The free ticket can be obtained at the automatic ticket distributor located in the baggage claim area, just before Customs. From the airport, buses 5 and 28 stop at Place des Nations (United Nations flag entrance and “Broken Chair” monument), within walking distance of WIPO. The train takes only six minutes from the airport to the Cornavin Geneva Central Station.

Delegates staying in a Geneva hotel can obtain a local transportation card from the hotel reception free of charge, valid for the entire duration of their stay. This personal and non-transferable card allows free access to trams, buses, trains and yellow taxi-boats within the Geneva area.

The following bus and tram stops are within walking distance of WIPO (see map):

- Bus stop/Tram stop: “Nations”, bus lines 5 (this line also goes to and from the airport), 8, 11, 20, 22, 28, F; tram line 15; and
- Bus stop: “UIT”, bus lines 8 and 11.

Further information on Geneva public transportation can be found at the Geneva public transport and Unireso websites.

The nearest taxi stand is located outside the Centre International de Conférences Genève (CICG) on 9 Rue de Varembé. Taxis may be called by dialing +41 22 320 2020, +41 22 320 2202 or +41 22 331 4133. Requests for a taxi may also be made at the WIPO Access Center.
Bank and Post Office

Geneva’s local currency is the Swiss franc (CHF), whose exchange rate is currently similar to the Euro (EUR or €) and the United States dollar (USD or $) (almost equal in parity in May 2019). There are currency exchange counters in the arrival area of the international airport, in hotels and bank offices.

The closest bank branch to WIPO is the UBS Vermont-Nations Branch, located on 17bis Chemin Louis Dunant. Opening hours: Monday 10 a.m. to 5.30 p.m. and Tuesday to Friday 9.00 a.m. to 5.30 p.m. (Cash dispenser (ATM) 24/7)).

Please note that there are only two cash desks at UBS Vermont-Nations Branch. As a result, delegates may experience delays in cashing their DSA payment orders, especially during the first two days of the Assemblies. If so, delegates may wish to consider cashing their orders from Wednesday onwards.

A cash dispenser (ATM) is also available on the ground floor of the WIPO GBI Building (right side of the lobby of the WIPO AB Building). These ATMs can dispense Swiss francs and euros, using internationally-recognized credit and debit cards.

The nearest post office is located at the CICG Conference Center, 17 Rue de Varembé. Opening hours: 8 a.m. to 12 noon and 2 p.m. to 6 p.m.

Safety and Security

WIPO Safety and Security Coordination Service (SSCS) (24/7): Security Operation Center (SOC) 9999 or + 41 22 338 9999

Fire Brigade: 118
Roadside Assistance: 140

Although Switzerland (Geneva) is rated as “low risk” regarding personal safety and security, delegates should remain vigilant with regard to their personal safety and the security of their property. Petty crime and crimes involving methods of distraction are common in a number of areas in the city (train/bus terminals) and can include pickpocketing and purse and/or cell-phone snatching. Robbery and/or threats of robbery are uncommon, but not unheard of. If accosted, do not resist and comply with demands to turn over personal property. Remember that personal safety is paramount.

The WIPO SSCS recommends that delegates should make copies of passports and other identification and carry copies on their person. Delegates should secure their original, important documents/means of identification in their hotel or the safe of their room.
General Safety and Security Recommendations (non-exhaustive):

- Be aware of your surroundings and exercise a degree of personal vigilance at all times.
- Take note of fire-safety instructions both on WIPO premises and in your hotel (i.e., emergency exits and instructions).
- Take care of and secure your personal property (i.e., luggage, briefcase, electronics, etc.).
- Be aware of individuals presenting themselves as police officers and always ask for formal police identification. Police identity cards feature a photo of the officer; their name and rank and are inscribed with the Republic and Canton of Geneva, as well as the word “Police” crossed with a yellow and red line. If there is uncertainty regarding the authenticity of a police officer, challenge them, attract the attention of others and if possible call the police emergency number (117).
- Be particularly vigilant with respect to pickpockets and other security concerns at the airport, the train station and when checking into your hotel.
- Never leave valuables on car seats – doing so attracts the attention of thieves.
- Exercise the same degree of caution as you would in any major city when using ATMs in Geneva and pay attention to anyone lingering in the vicinity or behaving in a suspicious manner. If you feel uncomfortable, find another ATM or ask a colleague to accompany you. Note that there is a secure UBS ATM located in the WIPO GBII building.
- Carry your hotel information with you: phone number, address and taxi service number(s).

Please report all security incidents (crime/attempts) to the Police (Tel: 117) and to WIPO’s Safety and Security Coordination Service (SSCS) (Security Operation Center 9999 or +41 22 338 9999, security.coordination@wipo.int). SSCS is available 24/7 to provide delegates with assistance if a police report is required and to provide liaison with the Geneva Diplomatic Police Group.

WIPO’s on-site security guard force, Protectas, is available to assist delegates should a safety/security incident occur on the WIPO campus or in the immediate vicinity and if immediate assistance is required. Protectas can be reached via the emergency number 9999 from WIPO internal phones and via +41 22 338 9999 on external phone lines. In the unlikely event of an evacuation, please follow safety guidance as posted and the directions provided by WIPO’s security team.
