EXPERIENCE IN INTELLECTUAL PROPERTY

Has been involved in intellectual property litigation of one kind or another as a litigation attorney, arbitration attorney, mediation counsel and arbitrator, since 1978.

Selected representative cases as arbitrator:

Chair, AAA arbitration, New York - dispute between two multinational agricultural conglomerates concerning alleged breach of license of patented bioengineering patent and alleged misuse of trademark – hundreds of million dollars in dispute.

Chair, ICC arbitration, Palo Alto - dispute between two software companies concerning alleged breach of software license concerning mobile banking enablement – tens of millions of dollars in dispute.

Sole arbitrator, CPR Institute arbitration, Washington, DC – Dispute between major pharmaceutical company and private investment fund concerning the funding of the development of a patented medical device – tens of millions of dollars in dispute,

Chair, ICC arbitration, San Francisco – Dispute over ownership of rights to patents concerning 1) the use of single molecule Raman spectroscopy for direct DNA sequencing, and 2) use of a nanolens to directly identify each individual sub-unit in a single strand of DNA as the sub-unit is encountered – tens of millions of dollars in dispute.

Chair, CPR Institute arbitration, Chicago – Dispute between two pharmaceutical companies concerning claim for patent infringement regarding patent for covering coronary stent technology. Case removed from Federal Court and submitted to arbitration. Amount in dispute unknown, but in hundreds of millions of dollars.

Sole arbitrator, AAA arbitration, Palo Alto – Dispute between North American subsidiary of the world's largest manufacturer of DRAM components and modules and a licensed reseller, alleging breach of license agreement – tens of millions of dollars in dispute.

Sole appeal arbitrator, CPR Institute arbitration, New York – Appeal of a three person arbitration award concerning a patent licensing dispute between a private biotechnology company and the biotechnology subsidiary of a large pharmaceutical company concerning a licensing dispute involving a patent covering a composition of matter claiming a monoclonal antibody intended for the treatment of Type 1 diabetes – hundreds of millions of dollars in dispute.
