English

PRESENT POSITION

Partner, Balch & Bingham LLP.

Practice focuses on litigation and other disputes involving Intellectual Property and Information Technology. These disputes often involve emergency court-ordered relief. Has had a great deal of experience seeking and defending against such expedited relief as well as seeking and defending against monetary relief. Has had a broad-ranging practice that has included, among other things, the following:

Involving departing employees who allegedly have taken proprietary information or who may have started working for a competitor allegedly in violation of an employment contract;
Involving "cyber-squatters" who adopt confusingly similar domain names or make unauthorized use of trademarks on Internet web sites;
Involving: trademark, copyright and patent infringement, trade secret misappropriation, theft of industrial technology or information, wrongful use of information on Internet websites, unauthorized
