</table>

² Mark with a cross if additional information is given on an attached sheet.

¹ Number, symbols, etc., given to the microorganism by the depositor.

Form BP/3 (first page) (01/01/2023)
III. CONDITIONS FOR STORAGE

IV. CONDITIONS FOR TESTING VIABILITY

V. COMPONENTS OF MIXTURE (where applicable)

VI. PROPERTIES DANGEROUS TO HEALTH OR ENVIRONMENT

   ☐ ³  The microorganism identified under I above has the following properties which are or may be dangerous to health or the environment:

   ☐ ³  The undersigned is not aware of such properties.

2  Mark with a cross if additional information is given on an attached sheet.

3  Mark with a cross the applicable box.

Form BP/3 (second page) (01/01/2023)
### VII. INTERNATIONAL DEPOSITARY AUTHORITY WITH WHICH THE PREVIOUS DEPOSIT WAS MADE

<table>
<thead>
<tr>
<th>Name and Address:</th>
</tr>
</thead>
</table>

<table>

</table>

### VIII. ACCESSION NUMBER GIVEN TO THE PREVIOUS DEPOSIT

### IX. REASON FOR MAKING NEW DEPOSIT

- [ ] The International Depositary Authority with which the previous deposit was made has ceased to have the status of International Depositary Authority or has discontinued the performance of its functions, and the microorganism has not been transferred to another International Depositary Authority which is in a position to furnish samples thereof.

- [ ] Date of receipt of the notification referred to in Article 4(1)(a):

- [ ] Date of the publication referred to in Article 4(1)(e):

- [ ] The sending or receipt of samples of the microorganism which was the subject of the previous deposit is prevented:

  - [ ] by export restrictions, or
  - [ ] by import restrictions.

Date of receipt of the notification referred to in Article 4(1)(a):

---

3 Mark with a cross the applicable box.

4 While such information is optional, it may facilitate subsequent communication between the International Depositary Authority that received the new deposit and the International Depositary Authority with which the previous deposit was made.
X. STATEMENT UNDER ARTICLE 4(1)(c)

The undersigned hereby alleges that the microorganism identified under I above is the same as that which was the subject of the previous deposit.

XI. MOST RECENT SCIENTIFIC DESCRIPTION AND/OR PROPOSED TAXONOMIC DESIGNATION INDICATED IN CONNECTION WITH THE PREVIOUS DEPOSIT

Scientific description:

Proposed taxonomic designation:

XII. DEPOSITOR

Name and Address:  
E-mail Address  
Telephone No.  
Signature  
Date:

2 Mark with a cross if additional information is given on an attached sheet.

5 Not to be filled in if neither a scientific description nor a proposed taxonomic designation has been indicated in connection with the previous deposit.

6 Use form BP/7 if, when making the new deposit, it is desired to furnish for the first time or amend a scientific description or a taxonomic designation.

7 While such information is optional, it may facilitate subsequent communication between the depositor and the International Depositary Authority.

8 Where the signature is required on behalf of a legal entity, the typewritten name(s) of the natural person(s) signing on behalf of the legal entity should accompany the signature(s).

Enclosures: Copy of the receipt of the previous deposit. Copy of the most recent statement concerning the viability of the microorganism which was the subject of the previous deposit indicating that the microorganism is viable.

Form BP/3 (fourth and last page) (01/01/2023)
