Re: JOPAL Project

---

Madam,  
Sir,

./ I have pleasure in sending you herewith document SCIT/4/6 for your consideration. The International Bureau would appreciate it if intellectual property offices participating in the JOPAL Project could consider and inform us whether they could take over responsibility for selecting articles from PCT journals 205, 208, 211, 219, 222 (new number 233), in addition to their current workload. The titles of those five journals are listed on page 6 of Annex 2 to document SCIT/4/6.

Intellectual property offices acting as International Searching Authorities are requested to pay attention to the date suggested by the International Bureau in paragraph 10 of the attached document (date on which the amended PCT List of Periodicals could come into effect).

Please note that the above-mentioned document is intended to be discussed at the fourth session of the SCIT Plenary in Geneva during the week of December 6 to 10, 1999.

Please send your comments on document SCIT/4/6 to the International Bureau not later than November 25, 1999. Your comments should be sent by e-mail to our address <scit.mail@wipo.int>; please indicate the number of this Circular.

Sincerely yours,
