Dear Sir,

01. Sorry for the delayed response for our part. We received the documents just on 20/11/2000 in our office. So it became inconvenience for us to send our opinion in due time, on the above subject regarding restructuring of SCIT.

(a) We support Option II regarding restructuring of SCIT.

(b) We want WIPO to include more number of states from Asia and Pacific Region in the Standing Committee.

03. The undersigned is directed to communicate you the above information.
