**Re: Proposal for the restructuring of the Standing Committee on Information
Technology (SCIT)**

Dear Mrs. Frary,

Referring to your letter C. SCIT 2515.01 we would like to inform you that the Industrial Property Office of the Czech Republic has no comments to the document SCIT/RES/6. The matter in question is being followed very carefully and we believe that the proposed general principles can be considered as a base of further works concerning restructuring of the SCIT. Taking into account the value and significance of these activities we will continue to support efforts of the International Bureau in this field.

Sincerely yours,

Josef Kratochvíl
