**Subject:** Proposal for the restructure of the SCIT

Dear Mrs. Helen Farary  
Head IT Business Management Section  
WIPO

With reference to your letter dated October 13,2000 concerning the Proposal for the restructure of the standing Committee on Information Technology (SCIT); we have the pleasure to inform you that we think the Option III is the appropriate one. However, we would like to point out that the Patent and Trademark standing Committee should be represented in Ad-Hoc Technical Committee and both Patent and Trademark standing Committee should convey any information to the Ad\_Hoc Technical Committee and vice versa.

Sincerely Yours,  
Prof.Dr. Fawzi A. Elrefaie  
Vice President  
of the Academy of Scientific Research and Technology
