

Questionnaire on the Implementation of Paragraph 12(a) of WIPO Standard ST.10/C

Name of the Reporting Office/ Organization	EE (ST.3 two-letter country/organization code) <i>Estonian Patent Office</i>
---	--

Paragraph 12(a) of WIPO Standard ST.10/C sets out the following recommendation:

“12. (a) In order to improve the quality of patent family data and to avoid confusion in the presentation of priority application numbers, the following recommendations are made:

Industrial property offices (IPOs) should always provide priority application number complying with “Recommended Presentation in Abbreviated Form as a Priority Application Number” given in the Appendix to the Standard ST.10/C when presenting the application number of a patent document in the notification of the first filing and in the certificate of priority. The “Recommended Presentation in Abbreviated Form as a Priority Application Number” should be presented with the Standard ST.3 code (preferably in a specified line or column along with the title “The country code (in case of the international organization, ‘The organization code’) and number of your priority application, to be used for filing abroad under the Paris Convention, is”) to be easily recognized as priority number by other IPOs and applicants.

Example of presentation of “Recommended Presentation in Abbreviated Form as a Priority Application Number”:

- (i) in case of the country:
The country code and number of your priority application,
to be used for filing abroad under the Paris Convention, is
JP2000-001234
- (ii) in case of the international organization:
The organization code and number of your priority
application, to be used for filing abroad under the Paris
Convention, is EP79100953”
