At its fifth session, held from May 29 to June 2, 2017, the Committee on WIPO Standards (CWS) requested the Secretariat to issue a circular inviting Industrial Property Offices (IPOs) to assess their business practices and IT systems for the implementation of WIPO Standard ST.27 and to review the provisional detailed events which are included in Standard ST.27 (see paragraph 52 of document of CWS/5/22); Standard ST.27 is available on the WIPO website at: http://www.wipo.int/standards/en/part_03_standards.html.

The International Bureau hereby invites IPOs to provide the results of (a) the assessment on their business practices and IT systems, including their tentative schedule for the implementation of Standard ST.27; and (b) the review of the provisional detailed events in accordance with their respective laws and practices.

Your Office/Organization is kindly requested to post the said results in the e-forum of the Legal Status Task Force at: https://www3.wipo.int/confluence/x/SoC0EQ by February 28, 2018. As the e-forum is restricted to the Task Force members only, your Office/Organization should have a membership.

Should your Office/Organization wish to have a new membership of the Task Force, details of your representative(s) should be sent to the International Bureau at cws.mail@wipo.int by February 16, 2018. Please see the annex to this circular for further details. It would be appreciated if the number of this circular could be quoted as a reference in all correspondence.

Yours sincerely,
