

## REQUEST FOR THE RECORDING OF A CHANGE IN OWNERSHIP

### IMPORTANT

1. You may use this form to request the recording of a change in ownership for **multiple** international registrations in the name of the **same holder**, provided that they are all subject of a **total** change in ownership. If you wish to request a **partial** change in ownership, you can only indicate one international registration per form.
2. If this request concerns **China, Denmark, Mexico, OAPI, the Republic of Korea, the Russian Federation and/or the United States of America**, you must send all required documents as stipulated in their individual declarations directly to the relevant Office(s) in order for the recording of a change in ownership to take effect in these Contracting Parties.
3. The recording of a **partial change** in ownership is not possible under certain national/regional laws:
  - under certain jurisdictions, a set of designs is viewed as a single design so legal protection is granted to the set as a whole;
  - where the law provides for a “similar design” or a “related design” system, you must transfer all designs together.
4. A change in ownership may be refused by individual designated Contracting Parties if the request does not comply with their specific domestic legal requirements (Rule 21*bis*(1) of the [Common Regulations](#)).
5. For more information on the domestic requirements and procedures of Contracting Parties, refer to [Hague System Member Profiles](#).
6. All fields are **mandatory**, unless indicated otherwise.
7. You must complete this form electronically; WIPO cannot accept handwritten forms.
8. Please avoid printing and scanning this form. Upload the completed and signed form directly to WIPO through [Contact Hague](#).
9. For more information on the request for the recording of a change in ownership, refer to the [Hague Guide for Users](#).
