

HAGUE AGREEMENT
CONCERNING THE INTERNATIONAL REGISTRATION OF INDUSTRIAL DESIGNS

REQUEST FOR THE RECORDING OF A
CHANGE IN OWNERSHIP

IMPORTANT

1. Please submit the present form directly to the International Bureau through [Contact Hague](#).
2. This request must be signed by the holder (the transferor) or his representative recorded in the International Register. It may also be signed by the new owner (the transferee) provided that it is accompanied by an attestation from the competent authority of the transferor's Contracting Party that the new owner appears to be the successor in title of the holder.
3. This form may be used for **several** international registrations in the name of the same holder, provided that the present request relates to a **total** change in ownership, as provided for in item 6(a).
4. If the present request relates to a **partial** change in ownership, as provided for in item 6(b), this form may be used only to request the recording of a change in ownership for a **single** international registration.
5. There are situations under some national/regional laws, where the recording of a partial change in ownership is not allowed. For instance, under certain jurisdictions, a set of industrial designs is considered to constitute a single industrial design, which means that all the designs belonging to the same set acquire legal protection as a whole and do not acquire protection independently. Moreover, where the law provides for a "similar design" system or a "related design" system, industrial designs registered under such particular conditions may only be transferred together at the same time. Therefore, a change in ownership which does not comply with certain requirements in the national/regional law may be the subject of a refusal of the effects of the recording of a change in ownership by the designated Contracting Party concerned, pursuant to Rule 21*bis*(1) of the Common Regulations. (Refer to "National or Regional Procedures" on the WIPO web site at <https://www.wipo.int/hague/memberprofiles/#/>.)
6. The African Intellectual Property Organization (OAPI), Denmark, Mexico, the Republic of Korea, the Russian Federation and the United States of America have made a declaration under Article 16(2) of the Geneva (1999) Act to the effect that a recording of a change in ownership in the International Register does not have effect in those Contracting Parties until their Offices have received the statements or documents specified in their respective declarations. Therefore, if the change in ownership concerns designation(s) of OAPI, Denmark, Mexico, the Republic of Korea, the Russian Federation or the United States of America, the holder is required to prepare and present such statements or documents directly to the respective Offices. (Refer to "Information on Designated Contracting Party" on the WIPO website at <https://www.wipo.int/hague/memberprofiles/#/>.)
