HAGUE AGREEMENT
CONCERNING THE INTERNATIONAL REGISTRATION OF INDUSTRIAL DESIGNS

RENEWAL OF THE INTERNATIONAL REGISTRATION

IMPORTANT

1. This form may only be used to request the renewal of a single international registration.

2. For a designation of the United States of America, a single 15-year term of protection from the date of grant of protection is already provided. However, renewal of the international registration is required for a designation of the United States of America if the holder wishes to benefit from the possibility of centralized subsequent management for this designation. No renewal designation fee is payable with respect to a designation of the United States of America, although payment of the basic fee is required.

3. A Fee Calculator is available on the WIPO website.

This cover page must not be sent to the International Bureau.
