#### 4. GOODS AND SERVICES<sup>2</sup>

Any class covered by the international registration(s)indicated in item 1 that is **not mentioned** below **remains as recorded** in the International Register:

- if you want to request the recording of a limitation for one particular class in respect of the designated Contracting Parties mentioned in item 3, provide the relevant class number and the complete new limited list of goods and services of this class under item (a):
- however, if you want to delete one or more entire classes in respect of those
   Contracting Parties, indicate the class number(s) under item (b).

Use semicolon (;) to separate indications or goods or services listed in a given class. For example:

You can use the Madrid Goods and Services Manager (MGS) to find indications accepted by WIPO. In MGS, you can also find acceptance information for selected Contracting Parties. MGS is available at <a href="https://www.wipo.int/mgs">www.wipo.int/mgs</a>. Use font "Courier New" or "Times New Roman", size 12 pt., or larger.
