**International Applications**

![Graphs showing International Applications pendency rates from 2011 to 2021, with a comparison to historical averages.]

**Renewals**

![Graphs showing Renewals pendency rates from 2011 to 2021, with a comparison to historical averages.]

**Subsequent designations**

![Graphs showing Subsequent designations pendency rates from 2011 to 2021, with a comparison to historical averages.]

Notes:
- The pendency rates are for transactions with no irregularities.
- The pendency is calculated from the date a document is received at WIPO to the date it is inscribed in the International Register.
- Monthly average is the monthly rolling average during the preceding six-month period.
- The days represented on the vertical axis are calendar days.
