Dear Madam/Sir

Offer

The publishing of the public registration of your design is the basis of our offer. We offer our trademark protection service that prevents your design from copyright infringement. You will receive timely reports on newly published design applications in key markets to uncover potential conflicts with your design. Our offer will be accepted by payment of the total filing fee and becomes a legally binding contract between you and Int-Trademarks Kft. Please notice that this service has not any connection with the publication of official registrations and is not a registration by a government organization. **This offer is not an invoice** but a solicitation **without** obligation to pay, unless our offer is accepted. All further details are indicated in our general terms and business conditions overleaf or in our website. For additional information please contact us at contact@int-trademarks.com.
