

## MADRID PROTOCOL CONCERNING THE INTERNATIONAL REGISTRATION OF MARKS

### RENEWAL OF THE INTERNATIONAL REGISTRATION

(Rule 30 of the Regulations under the Protocol)

#### **IMPORTANT**

1. We strongly recommend that you use E-renewal when paying the renewal fees with a credit card or debiting them from a WIPO current account. E-renewal is available at: <https://www3.wipo.int/madrid/renewal>.
2. If you are not using E-renewal, please, present this form with your renewal instructions **and payment information** directly to the International Bureau by uploading it at <http://wipo.int/madrid/en/contact/> or mailing it to the address that appears below as early as possible.
3. Please remember that an international registration cannot be renewed until **all** the required fees are paid **in full**.
4. You cannot renew the international registration for goods and services that have been **cancelled** or for designated Contracting Parties for which **total invalidation** or **renunciation** has been recorded.
5. Where **partial invalidation** or **limitation** has been recorded, you cannot renew the international registration in respect of the designated Contracting Party concerned for the goods and services affected by said partial invalidation or limitation.
6. The renewal fee for designated Contracting Parties that have **granted protection for some goods and services only** in a statement under Rule 18*ter* (a final or further decision) and have declared for an individual fee per class is calculated taking into account the number of classes for which protection has been granted.
7. You can renew the international registration for designated Contracting Parties that have **refused protection for all goods and services** in a final decision. You must indicate so in item 3 and pay the corresponding fees **for all the goods and services** for which that Contracting Party remains designated (i.e. those goods and services not affected by a limitation, a partial invalidation or a partial cancellation).

**Please, do not send this cover page to the International Bureau.**

## RENEWAL OF THE INTERNATIONAL REGISTRATION

<u>For use by the holder</u>	<u>For use by the Office</u>
This renewal form contains the following number of continuation sheets:  ..... Holder's reference: .....	Office's reference: .....

<b>1</b> INTERNATIONAL REGISTRATION NUMBER  .....

<b>2</b> NAME OF THE HOLDER (as recorded in the International Register)  .....

### 3 CONTRACTING PARTIES FOR WHICH RENEWAL IS REQUESTED

You must indicate below **ALL** the designated Contracting Parties for which you want to renew this international registration. The renewal fee for designated Contracting Parties that have granted **partial protection** (i.e., for some goods and services only) in a statement under Rule 18ter (a final or further decision) and have declared for an individual fee per class, are calculated taking into account the number of classes for which protection has been granted.

You may renew the international registration in respect of a Contracting Party that has **refused protection for all goods and services** in a final decision by filling in this item solely. In that case, the registration must be renewed in respect of that Contracting Party **for all the goods and services** for which it remains designated (i.e., those goods and services not affected by a limitation, a partial invalidation or a partial cancellation). This may be useful, pending the outcome of further proceedings in the Contracting Party concerned.
