Online Patent Register and Online Gazette

Israel has an [Online Register](#) and an [Online Gazette](#) (Patents Journal).

Features and search functionalities

The online patent register has an **English** and **Hebrew interface**.

Through the patent register you can retrieve information on **Legal Status, Fee Payment, PCT National Phase Entry, Patent Term Extensions**, and access the **Dossier/File Wrapper Information** and the **Full Publications**.

The patent register can also be searched by **PCT Application/Publication Number**, by **Applicant/Inventor Name**, and by **Priority Data**.

Dated "Register Extracts" can be obtained through a link associated with each entry in the search result list.

The online gazette is published monthly in Hebrew and English. It is searchable by date and can be displayed in MS Word and PDF format. The current coverage is from 2011 to present.

European patents designating Israel can be searched in the [European Patent Register](#).

Search tips

To search by **PCT Application/Publication Number** you can use the format US2010/026073 or 2010/102020. Select "Advanced Search" and "Search by Number" at the bottom, or use directly the quick number search in the top box on the home page.

Patent Term Extension information can be retrieved, e.g. "Extension order" in the "Extract" of patent 94634.

Legal Status information is also searchable; the advanced search interface includes a list of different status reported by the register.

Renewals are considered as Legal Status and reported as such and also searchable in the "Secondary Status" box after selecting "Patent" as "Primary Status", e.g. "Third Renewal" for application 147830. Past renewals are recorded in the "Register Extract".

PCT National Phase Entry information is recorded in the "Register Extract": e.g., 16/08/2011 for US2010/026073.

To access the **Dossier/File Wrapper Information**, see the "Document List".
