More legal information about intellectual property-related laws and regulations of Mexico can be found on [WIPO Lex](#).

Online Patent Register and Online Gazette

Mexico has an [Online Register](#) and an [Online Gazette](#) (Gaceta de la Propiedad Industrial).

Features and search functionalities

The online patent register has a **Spanish interface**. It contains information about Mexican patents and utility models, and PCT applications designating Mexico.

Through the patent register you can retrieve information on **Legal Status**.

The patent register can also be searched by **PCT Application/Publication Number**, by **Applicant/Inventor Name**, and by **Priority Data**.

There is also a [publication server](#) where it is possible to access **Full Publications** and the **Dossier/File Wrapper Information**.

[LATIPAT](#) provides some bibliographic data and information about the **Legal Status** of Latin American patents. For more information about LATIPAT, consult the [detailed jurisdiction file](#).

The online gazette is published monthly in Spanish and searchable by date. To access the PDF version select "Patentes". The current coverage is from 1890 to present.
