Online Patent Register and Online Gazette

The Russian Federation has an [Online Register](#) and an [Online Gazette](#).

Features and search functionalities

The online patent register has a **Russian interface**.

Through the patent register you can retrieve information on **Legal Status** and PCT **National Phase Entry**. It is also possible to access the **Full Publications** through the patent register or through the publication server available at this [link](#).

Russian patents and utility models can be searched in the patent register by application/registration number, as well as by the date of filing and IPC index.

The online gazette is published three times a month on the 10th, 20th and 27th of each month in Russia. Its coverage is from 2005 to present.

EAPO patents can be searched by using the English search interface of the [EAPATIS system](#) (by logging in as a guest), or by using the [Russian search interface](#). For more information about EAPO, consult the [detailed jurisdiction file](#).

Registered users can access more databases.
