- 1 The international filing fee (including the fee per sheet over 30), the supplementary search handling fee and the handling fee.
- 2 In the case of the reduction in the international filing fee, this list applies to international applications received by the receiving Office on or after 7 January 2025; in the case of reductions in the supplementary search handling fee and the handling fee, this list applies to international applications in respect of which the respective fee is paid on or after 7 January 2025.
- 3 If there are several applicants, each must satisfy the criteria set out in parts 1 or 2 of the list, and at least one of them must be a national of and/or reside in a PCT Contracting State.
- 4 The PCT Assembly adopted an Understanding, with effect from 11 October 2017, which clarifies that the reduction in the fees mentioned in footnote 1 is intended to apply only in the case where the applicants indicated in the request are the sole and true owners of the application and under no obligation to assign, grant, convey or license the rights in the invention to another party which is not eligible for the fee reduction.
- 5 That is, States whose per capita gross domestic product is below US\$ 25,000 (according to the most recent 10-year average per capita gross domestic product figures at constant 2005 US\$ values published by the United Nations), and whose nationals and residents who are natural persons have filed less than 10 international applications per year (per million population) or less than 50 international applications per year (in absolute numbers) according to the most recent five-year average yearly filing figures published by the International Bureau.
- 6 Applicants from these States must file the PCT application together with an applicant who is a national of and/or resides in a PCT Contracting State, and in order to benefit from the 90% reduction, the State concerned must be one of the States indicated under 1(a) (if the applicant concerned is a natural person) or 2(a) (whether the applicant is a natural person or not).
