SUPPLEMENTARY INTERNATIONAL SEARCH REPORT

(PCT Rule 45bis)

Applicant's or agent's file reference	International application No.
International filing date (<i>day/month/year</i>)	(Earliest) Priority Date (<i>day/month/year</i>)
Applicant	

This supplementary international search report has been prepared by this Authority specified for supplementary search and it is transmitted to the applicant in accordance with Rule 45bis.8(a). A copy is being transmitted to the International Bureau.

This report is a revised version of a previously issued supplementary international search report

This supplementary international search report consists of a total of _____ sheets.

It is also accompanied by a copy of each prior art document cited in this report.

1. **Basis of the report**

a. With regard to the **language**, the supplementary international search was carried out on the basis of:

the international application in the language in which it was filed.

a translation of the international application into _____ which is the language of a translation furnished for the purposes of:

the international search (Rules 12.3(a) and 23.1(b)).

the international publication (Rule 12.4)

the supplementary international search (Rule 45bis.1(c)(i))

b. This supplementary international search report has been established taking into account the **rectification of an obvious mistake** notified to this Authority under Rule 91 (Rules 43.6bis(a) and 45bis.7(c)).

c. With regard to any **nucleotide and/or amino acid sequence** disclosed in the international application, see Box No. I.

d. This supplementary international search report has been established taking due account of the international search report, or the declaration under Article 17(2)(a) that no international search report will be established, and the written opinion established under Rule 43bis.1.

2. **Certain claims were found unsearchable** (see Box No. II).

3. **Unity of invention is lacking** (see Box No. III).

Box No. I Nucleotide and/or amino acid sequence(s) (Continuation of item 1.c of the first sheet)

1. With regard to any nucleotide and/or amino acid sequence disclosed in the international application, the supplementary international search was carried out on the basis of a sequence listing:
 - a. forming part of the international application as filed:
 - in the form of an Annex C/ST.25 text file.
 - on paper or in the form of an image file.
 - b. furnished together with the supplementary search request under PCT Rule 45bis.1(c)(ii) for the purposes of supplementary international search only in the form of an Annex C/ST.25 text file.
 - c. furnished subsequent to the supplementary search request for the purposes of supplementary international search only (Rules 45bis.5(c) and 13ter):
 - in the form of an Annex C/ST.25 text file (Rule 13ter.1(a)).
 - on paper or in the form of an image file (Rule 13ter.1(b) and Administrative Instructions, Section 713).

2. In addition, in the case that more than one version or copy of a sequence listing has been filed or furnished, the required statements that the information in the subsequent or additional copies is identical to that forming part of the application as filed or does not go beyond the application as filed, as appropriate, were furnished.

3. Additional comments:

Box No. II Observations where certain claims were found unsearchable (Continuation of item 2 of first sheet)

This supplementary international search report has not been established in respect of certain claims under Article 17(2)(a) and Rule 45bis.5(c), (d) and (h) for the following reasons:

1. Claims Nos.:
because they relate to subject matter not required to be searched by this Authority, namely:

2. Claims Nos.:
because they relate to parts of the international application that do not comply with the prescribed requirements to such an extent that no meaningful supplementary international search can be carried out, specifically:

3. Claims Nos.:
because they are dependent claims and are not drafted in accordance with the second and third sentences of Rule 6.4(a).
4. Claims Nos.:
because they were not the subject of the international search (Rule 45bis.5(d)).
5. Claims Nos.:
because they were excluded from supplementary international search by this Authority in accordance with a limitation or condition set out in the applicable agreement under Article 16(3)(b) (Rule 45bis.5(h)).

Box No. III Observations concerning unity of invention (Continuation of item 3 of first sheet)

1. This Authority specified for supplementary search agrees with the conclusions of the International Searching Authority regarding the issue of unity of invention (see Forms PCT/ISA/210 and 237 dated _____) and refers the applicant to these documents for further details.
2. At the request of the applicant, this supplementary international search report is limited to the invention specified by the applicant under Rule 45bis.1(d) and those parts of the international application which relate to that invention (Rule 45bis.5(b)).
3. This Authority specified for supplementary search:
 - (i) considers that there are _____ (*number*) inventions claimed in the international application covered by the claims indicated below/on an extra sheet:

 - (ii) therefore finds that **the international application does not comply with the requirement of unity of invention** (Rules 13.1, 13.2 and 13.3) for the reasons indicated below/on an extra sheet:

 - (iii) draws the attention of the applicant to the possibility of requesting, within **one month** from the date of mailing of this report, a review of this opinion.

 Where the applicant requests the Authority to review this opinion, the applicant is hereby invited, within **one month** from the date of mailing of this report, to pay a review fee (Rule 45bis.6(c)) in the amount of _____ (*currency/amount*)
4. This supplementary international search report therefore covers only those parts of the international application which relate to the invention first mentioned in the claims ("main invention"). Consequently, this supplementary international search report covers only the following claims: _____
5. As all searchable claims could be searched without unreasonable additional effort, this supplementary international search report covers all claimed inventions.
