Agreement between the European Patent Office and the International Bureau of the World Intellectual Property Organization¹ – Amendment to Annex D

The European Patent Office (EPO) has notified the International Bureau, in accordance with Article 11(2) of the above-mentioned Agreement, of an amendment to Part II of Annex D thereof. This amendment, which will enter into force on 1 April 2019, consists of a change in the reference contained in the footnote of Part II of Annex D, paragraph 3, as follows: OJ EPO 2019, A5.

The effect of this amendment is to change the conditions relating to the refund of the search fee, where the EPO (acting as International Searching Authority) benefits from the results of an earlier search prepared by it on an application the priority of which is claimed in the international application. In particular, a full or partial refund of the international search fee paid for a pending international application is now applicable where the international search report is based on an earlier search made on behalf of the United Kingdom on a national application filed as of 1 July 2018.

ADMINISTRATIVE INSTRUCTIONS UNDER THE PCT: MODIFICATIONS TO APPENDIX I OF ANNEX F (STANDARD FOR THE ELECTRONIC FILING AND PROCESSING OF INTERNATIONAL APPLICATIONS)

NOTE PREPARED BY THE INTERNATIONAL BUREAU

Following consultation with interested Offices and Authorities, pursuant to PCT Rule 89.2(b) and in accordance with the procedures set out in section 2.5 of Annex F of the Administrative Instructions under the PCT, modifications to section 3.6 of Appendix I of Annex F are promulgated with effect from 1 April 2019.

These modifications involve changes to the Document Type Definitions (DTDs) for the PCT fee calculation sheet, the PCT fee calculation sheet (Chapter II), and the PCT Demand. The purpose of these modifications is:

- to enable automated reimbursement procedures at a Receiving Office, International Searching Authority and International Preliminary Examining Authority using reimbursement information provided at the time of filing an international application;
- to allow an applicant/agent the option to indicate a (different) deposit account for reimbursements, independent from the payment method indicated; and
- to indicate the expiry of the postponement of the start of the international preliminary examination.
