MEETINGS OF THE INTERNATIONAL PATENT COOPERATION UNION – ASSEMBLY (FORTY-FOURTH (19TH ORDINARY) SESSION)

NOTE PREPARED BY THE INTERNATIONAL BUREAU

A number of amendments to the PCT Regulations, as well as the appointment of a new International Searching and Preliminary Examining Authority, were approved by the Assembly of the International Patent Cooperation Union (PCT Union) at its forty-fourth (19th ordinary) session, which was held in Geneva from 23 September to 2 October 2013 as part of the meetings of the Assemblies of the Member States of WIPO.

Documents which were prepared for the Assembly, and which give detailed background information relating to the decisions that were taken, as well as the report of the session, are available on the WIPO website at:

www.wipo.int/meetings/en/details.jsp?meeting_id=29898

The said amendments and appointment are outlined below.

Appointment of a new International Searching and Preliminary Examining Authority

The Assembly appointed the State Intellectual Property Service of Ukraine as an International Searching and Preliminary Examining Authority with effect from the entry into force of the required Agreement until December 31, 2017, bringing the number of Offices which have been appointed as International Searching and Preliminary Examining Authorities to 19, and approved the text of the draft Agreement between the State Intellectual Property Service of Ukraine and the International Bureau. The text of the Agreement will be published in the Official Notices (PCT Gazette) in due course.

Amendments to the PCT Regulations

The amendments to the PCT Regulations will enter into force on 1 July 2014 and consist of:

(i) requiring International Preliminary Examining Authorities to conduct a “top-up” search during international preliminary examination, subject to various exceptions (addition of PCT Rules 66.1ter and 70.2(f));^1^

(ii) allowing written opinions of the International Searching Authority (in their original language) and informal comments submitted by the applicant in response to such opinions (in their original language) to be publicly available from the date of international publication (deletion of PCT Rule 44ter and amendment of Rule 94.1(b)).^2^

The text of the amendments is reproduced thereafter.

---

^1^ These amendments shall apply to any international application, irrespective of its international filing date, in respect of which a demand for international preliminary examination is made on or after July 1, 2014.

^2^ These amendments shall apply to any international application whose international filing date is on or after July 1, 2014.

DESIGNATED (OR ELECTED) OFFICES

CA Canada

The Canadian Intellectual Property Office has notified changes in its special requirements under PCT Rule 51bis. The consolidated list of requirements reads as follows:

If the applicant does not reside or carry out business in Canada, an appointment as a representative for service of a person or firm residing or carrying on business at a specified address in Canada.

If the applicant is not the inventor, either a declaration that the applicant is the legal representative of the inventor or a declaration as to the applicant’s entitlement to apply for and be granted a patent in accordance with PCT Rule 4.17.

If the applicant is not the applicant originally indicated in the international application, evidence that the applicant is the legal representative of the originally identified applicant.

Appointment of an agent if the applicant is not the inventor. If the appointed agent does not reside in Canada, the appointment by the agent of an agent who resides in Canada to be the associate agent.
Furthermore, the Office has notified a change concerning its requirement as to who can act as agent before it – any person or firm whose name is entered on the Canadian register of patent agents can now act as such.

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

AT Austria

Under PCT Rule 89bis.1(d) and Section 710(b) of the Administrative Instructions under the PCT, the Austrian Patent Office, in its capacity as receiving Office, has notified the International Bureau that it is prepared to accept international applications filed using ePCT-filing and will no longer accept international applications in electronic form filed on physical media, with effect from 1 March 2014. Consequently, as from that date, the following notification will replace the previous notification published in the Official Notices (PCT Gazette) of 19 May 2011, pages 71 et seq.:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-filing
- EPO online filing software
- PCT-SAFE software

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string (see Annex F, sections 3.3.1 and 3.3.2)
- enhanced electronic signature (see Annex F, section 3.3.4)
As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available. Only currently available means of payment are allowed.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk will be available between 9.00 a.m. and 2.00 p.m., Monday to Friday, excluding official holidays. The help desk may be contacted:

- by telephone at +43 1 53 424 76
- by fax at +43 1 53 424 535
- by e-mail at info@patentamt.at

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications as supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.
As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.patentamt.at).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- European Patent Office CA (www.epoline.org/portal/public)
- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.htm)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

No online file inspection by applicants is provided for at present.”

SE Sweden

Under PCT Rule 89bis.1(d) and Section 710(b) of the Administrative Instructions under the PCT, the Swedish Patent and Registration Office, in its capacity as receiving Office, has notified the International Bureau of a number of changes to its notification published in PCT Gazette No. 47/2005, of 24 November 2005, pages 31398 et seq., and in particular, that it is prepared to accept international applications filed using ePCT-filing and will no longer accept international applications in electronic form filed on physical media, with effect from 1 March 2014. Consequently, as from that date, the following notification will replace the aforementioned notification:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is available on the website www.prv.se.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk will be available between 8.00 a.m. and 4.40 p.m. (15 September - 14 May) and between 8.00 a.m. and 4.00 p.m. (15 May - 14 September) CET (Central European Time), Monday to Friday, excluding Swedish public holidays. The help desk may be contacted:
As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, including the demand, as supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application. Documents should preferably not be password protected.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available to inform the applicant about procedures to follow as alternatives.

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- European Patent Office CA (www.epoline.org/portal/public)
- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.htm)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

No online file inspection by applicants is provided for at present.

**FEES PAYABLE UNDER THE PCT**

**AT Austria**

The Austrian Patent Office as receiving Office has notified that, as from 1 March 2014, it will no longer accept the filing of international applications with requests in PCT-EASY format. Consequently, the corresponding reduction under item 4 of the PCT Schedule of Fees will no longer apply as from that date.

[ Updating of Annex C(AT) of the *PCT Applicant’s Guide* ]
AU  Australia

Pursuant to PCT Rule 16.1(d), a new equivalent amount in Swiss franc (CHF) has been established for the search fee for an international search carried out by the Australian Patent Office. This amount, applicable from 1 May 2014, is CHF 1,765.

RECEIVING OFFICES

AT  Austria

The Austrian Patent Office has notified that, as from 1 March 2014, it will no longer accept the filing of international applications with requests in PCT-EASY format.

Furthermore, as from 1 March 2014, the Office will accept international applications in electronic form filed in XML and PDF formats using ePCT-filing, in addition to PCT-SAFE and EPO online filing, and will no longer accept offline electronic filings.

[Updating of Annex C(AT) of the PCT Applicant’s Guide]

GE  Georgia

The National Intellectual Property Center of Georgia (Sakpatenti) has notified changes concerning whether an agent is required by it – while an agent is not required if the applicant resides in Georgia, it is preferable, if the applicant is a non-resident, that he appoint an agent or provide an address for service.

Furthermore, the Office has notified a change concerning its requirement as to who can act as agent before it – any person who is a resident of Georgia or registered to practice before the Office as patent attorney can now act as such.

[Updating of Annex C(GE) of the PCT Applicant’s Guide]

SE  Sweden

The Swedish Patent and Registration Office has notified that, as from 1 March 2014, it will accept international applications in electronic form filed in XML and PDF formats using ePCT-filing, in addition to PCT-SAFE and EPO online filing, and will no longer accept offline electronic filings.

[Updating of Annex C(SE) of the PCT Applicant’s Guide]
DESIGNATED (OR ELECTED) OFFICES

GE Georgia

The National Intellectual Property Center of Georgia (Sakpatenti) has notified changes in its special requirements under PCT Rule 51bis. The consolidated list of requirements reads as follows:

- Name and address of the inventor if they have not been furnished in the “Request” part of the international application
- Deed of transfer where the applicant is not the inventor
- Appointment of an agent if the applicant is not resident in Georgia
- Power of attorney if an agent or representative is appointed
- Furnishing, where applicable, of a nucleotide and/or amino acid sequence listing in electronic form

Furthermore, the Office has notified a change concerning its requirement as to who can act as agent before it – any person who is a resident of Georgia or registered to practice before the Office as patent attorney can now act as such.

[Updating of the National Chapter, Summary (GE), of the PCT Applicant’s Guide]

RESTORATION OF RIGHT OF PRIORITY BY RECEIVING OFFICES AND BY DESIGNATED OFFICES

GE Georgia

The National Intellectual Property Center of Georgia (Sakpatenti) has notified a fee for requesting restoration of the right of priority under PCT Rule 26bis.3(d) or under PCT Rule 49ter.2(d), in US dollar (USD), payable to it as receiving Office or as designated Office, respectively. The amount of this fee is USD 60.

Under PCT Rule 89bis.1(d) and Section 710(b) of the Administrative Instructions under the PCT, the **Australian Patent Office**, in its capacity as receiving Office, has notified the International Bureau of a number of changes to its notification last published in PCT Gazette No. 50/2005, of 15 December 2005, pages 33496 et seq., in particular, that it is prepared to accept international applications filed using ePCT-Filing, with effect from 14 April 2014. Consequently, as from that date, the following notification will replace the aforementioned notification:

*As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)

*As to means of transmittal (Section 710(a)(i)):

- Using ePCT-Filing where international applications are transmitted using the protocol specified in Annex F, section 5 and Appendix III, section 2(d) of the Administrative Instructions; or
- International applications can be prepared with the PCT-SAFE software, saved on the user’s hard drive and then transmitted to the Office via its Online Lodgement System (see www.ipaustralia.gov.au). Access to the Online Lodgement System requires user id and password authentication via a customer registration process through the Office’s Online Services.
- Note:
  - Where the complete application exceeds 20 MB, online transmittal is not supported using the Online Lodgement System;
  - Where a component file within the application exceeds 20 MB, online transmittal is not supported using ePCT-Filing;
  - When online filing is not available the application shall then be filed on paper.

*As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)
As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing
- PCT-SAFE software

As to types of electronic signature (Section 710(a)(i)):

- Facsimile, text string or click-wrap signatures (see Annex F, sections 3.3.1 to 3.3.3)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The confirmation of receipt of any purported international application filed in electronic form with the Office contains, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)). The Office will make every effort to accept an international application in electronic form. A confirmation of receipt will be created for any purported international application filed in electronic form with the Office. Errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)), files exceeding 20MB in size, or missing files, are notified to the applicant in the confirmation of receipt.

As to methods of online payment (Section 710(a)(ii)):

Online payment is available through the Office’s website (www.ipaustralia.gov.au). Applicants wishing to use this facility should refer to the Office’s website for further details prior to entering payment information into the PCT-SAFE software.

As to details concerning help desks (Section 710(a)(ii)):

Within the framework of its services, the Office has put in place a help desk for applicants filing international applications in electronic form. The Customer Services Network helpdesk can be contacted for all general enquiries.

The help desk is open from Monday to Friday from 9 a.m. to 5 p.m. Australian Eastern Standard/Summer Time (AEST) and can be contacted by the following means:

- by phone at +61 2 6283 2999
- by e-mail at pct@ipaustralia.gov.au
As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- International Applications prepared with PCT-SAFE software that do not exceed 20 MB may be sent through the Online Lodgement System.
- International Applications where individual components do not exceed 20 MB may be submitted via ePCT-Filing.
- Subsequently filed documents for International Applications as supported by the relevant software.

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will not accept the filing of backup copies on paper. Furthermore, the Office will not prepare a backup copy of the international application on paper at the request of the applicant.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In the event of failure of the electronic systems when an international application is filed with it, the Office will use all means available to it, such as e-mail, to inform the applicant of alternative filing procedures. The Office will provide information concerning the availability of online filing systems on its website (www.ipaustralia.gov.au/about-us/news-and-media/latest-news-listing/).

The Office also offers a subscription service for notifications of any scheduled system downtimes: (www.ipaustralia.gov.au/about-us/news-and-media/stay-informed/downtime-subscription/).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

For applications prepared with PCT-SAFE and transmitted to the Office via its Online Lodgement System:
- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.html)

For applications filed using ePCT-Filing:
- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.html)
As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):
– No online file inspection by applicants is provided for at present for applications prepared using the PCT-SAFE software and filed via the Online Lodgement System.
– Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

FI Finland

Under PCT Rule 89bis.1(d) and Section 710(b) of the Administrative Instructions under the PCT, the Finnish Patent and Registration Office (PRH), in its capacity as receiving Office, has notified the International Bureau of a number of changes to its notifications published in PCT Gazette No. 51/2003, of 18 December 2003, pages 29014 et seq., and in the Official Notices (PCT Gazette) of 9 July 2009, pages 118 et seq., and, in particular, that it is prepared to accept international applications filed using ePCT-Filing, with effect since 14 April 2014. Consequently, since that date, the following notification replaces the aforementioned notifications:

“As to electronic document formats (Section 710(a)(i)):

– XML (in general; see Annex F, section 3.1.1.1)
  – WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
  – PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
  – TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)

As to means of transmittal (Section 710(a)(i)):

– on-line filing (see Annex F, section 5.1 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

– WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

– ePCT-Filing
  – PCT-SAFE software
  – EPO online filing software

As to types of electronic signature (Section 710(a)(i)):

– the international application must be signed by means of a basic electronic signature (text string or facsimile) or by means of an enhanced electronic signature (see Annex F, section 3.3)
  – the international application is embedded in a compact package which is signed by means of a PKCS #7-type enhanced electronic signature (see Annex F, section 3.3.4). Such an enhanced electronic signature is implemented by means of a smart card and recognised by the Office
As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed with the Office as receiving Office contains, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1), or if outdated certificates have been used, that a notification of receipt will not be generated. Other errors, such as applications being infected by viruses or other forms of malicious logic, are notified to the applicant in the acknowledgment of receipt. Where it transpires that an acknowledgment of receipt transmitted to the applicant by electronic means was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

No online payment is available. The following means of deferred payment are accepted: payment by debit card or by bank transfer.

As to details concerning help desks (Section 710(a)(ii)):

Within the framework of its service for the electronic filing of patents, the Office has put in place a help desk for applicants.

The task of this help desk is to answer questions from users of the service for the electronic filing of patents, and in particular to serve as a technical hotline in order to help applicants whenever bugs and other technical problems relating to the software and/or server are encountered.

This help desk is open from Monday to Friday, from 8.00 a.m. until 4.00 p.m.

The PRH patent help desk may be contacted as follows:

- by telephone: (358-9) 6939 5948
- by web form at the following address: www.prh.fi/en/patentit/electronic_services/helpdesk.html

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications as supported by the relevant software
As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application. The files should be in ZIP format and contain texts either in ASCII plain text or in any other commonly known format.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In the event of failure of the electronic systems when an international application is filed with it, the Office will use all means available to inform the applicant of alternative filing procedures.

The Office will provide on its website (www.prh.fi/en/patentit/electronic_services.html) information concerning the availability of electronic filing systems.

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

EPO online filing software:
- citizen certificates on identity cards issued by the Finnish Police (for the certificate policy, see www.fineid.fi/)
- organization certificates on organization cards issued by the Finnish Population Register Center (for the certificate policy, see www.fineid.fi/)
- European Patent Office certificate on EPO smart cards issued by the European Patent Office CA (for the certificate policy, see www.epo.org/applying/online-services/security.html)

PCT-SAFE software and ePCT-Filing:
- WIPO customer certificate issued by the WIPO Customer CA (for the certificate policy, see www.wipo.int/pct-safe/en/certificates.html)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

ePCT private services provide access to files of international applications to the extent that they are available at the International Bureau."

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

IB International Bureau

Under PCT Rule 89bis.1(d) and Section 710(b) of the Administrative Instructions under the PCT, the International Bureau, in its capacity as receiving Office, has notified a number of changes to its notifications published in PCT Gazette No. 07/2004, of 12 February 2004, pages 3796 et seq., and No. 43/2005, of 27 October 2005, page 28466, and, in particular, that it accepts international applications filed using ePCT-Filing, with effect since 11 October 2013, following the successful conclusion of a limited pilot that started on 2 May 2013. Consequently, since that date, the following notification replaces the aforementioned notifications:

“As to electronic document formats (Section 710(a)(i)):

– XML (in general; see Annex F, section 3.1.1.1)
– WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
– PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
– TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)

As to means of transmittal (Section 710(a)(i)):

– online filing (see Annex F, section 5.1 and Appendix III, section 2(d))
– filing by means of one of the following physical media: CD-R and DVD-R (see Annex F, section 5.2.1, Appendix III, section 2(e), and Appendix IV, sections 4.3 and 4.5, respectively)

As to electronic document packaging (Section 710(a)(i)):
– WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)
– WAD (Wrapped Application Document; see Annex F, section 4.1.1), but only for filing on a physical medium

As to electronic filing software (Section 710(a)(i)):
– ePCT-Filing
– PCT-SAFE software
– EPO online filing software

As to types of electronic signature (Section 710(a)(i)):
– facsimile, text string or click-wrap signatures (see Annex F, sections 3.3.1 to 3.3.3)
– enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the International Bureau as receiving Office will contain the information required under Section 704(a)(i).

The International Bureau as receiving Office will make every effort to accept an international application in electronic form. Only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) will a notification, or confirmation, of receipt not be generated. Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the International Bureau will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is available through WIPO’s online PCT E-Payment service (see www.wipo.int/pct/en/fees/pct_e-payment_user_guide.pdf).

As to details concerning help desks (Section 710(a)(ii)):

The PCT Electronic Services Help Desk is available from 8.30 a.m. until 6.00 p.m. Central European time and can be contacted as follows:
– via e-mail: ePCT@wipo.int
– by telephone: (+41-22) 338 9523
– by facsimile: (+41-22) 338 8040
Every attempt will be made to respond to e-mail questions within one business day.

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of electronic systems when an international application is filed with it, the International Bureau as receiving Office will use all means available to it, such as e-mail or facsimile, to inform the applicant about procedures to follow as alternatives.

The International Bureau as receiving Office will provide, on the PCT Electronic Services website (www.wipo.int/pct-safe), information concerning the availability of online filing systems and backup filing procedures.

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.htm)
- the International Bureau as receiving Office will also accept certificates issued by certification authorities which are accepted by other PCT receiving Offices and which have been notified accordingly to the International Bureau under Section 710, provided that such certificates are permitted, under the relevant certificate policy, to be used for filing with the International Bureau as receiving Office.

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

- ePCT private services provide access to the files of international applications to the extent that they are available at the International Bureau."

INFORMATION ON CONTRACTING STATES

AP  African Regional Intellectual Property Organization (ARIPO)

The African Regional Intellectual Property Organization (ARIPO) has notified the deletion of one of its e-mail addresses. Its e-mail address is now as follows:

mail@aripo.org

[Updating of Annex B2(AP) of the PCT Applicant’s Guide]

FEES PAYABLE UNDER THE PCT

EP  European Patent Organisation

Pursuant to PCT Rule 16.1(d), a new equivalent amount in Icelandic krona (ISK) has been established for the search fee for an international search carried out by the European Patent Office (EPO). This amount, applicable from 1 August 2014, is ISK 290,000.

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

EP  European Patent Organisation

Under PCT Rule 89bis.1(d) and Section 710(b) of the Administrative Instructions under the PCT, the European Patent Office (EPO), in its capacity as receiving Office, has notified the International Bureau of changes to its notification published in PCT Gazette No. 47/2002, of 21 November 2002, pages 23832 et seq. The Office now receives and processes international applications in electronic form under the conditions laid down in the Decision of the President of the European Patent Office dated 26 February 2009 concerning the electronic filing of documents (see OJ EPO 2009, page 182) and the Decision of the President of the European Patent Office dated 12 July 2007 concerning the electronic signatures, data carriers and software to be used for the electronic filing of patent applications and other documents (see Special edition No. 3, OJ EPO 2007, A.5).

IB  International Bureau – Corrigendum

Further to the notification published in the Official Notices (PCT Gazette) of 8 May 2014, pages 64 to 66, the part relating to details concerning help desks should be corrected to read as follows:
“As to details concerning help desks (Section 710(a)(ii)):

The PCT eServices Help Desk is available from Monday to Friday, from 9.00 a.m. until 6.00 p.m. Central European time, and can be contacted as follows:

– via e-mail: ePCT@wipo.int
– by telephone: (+41-22) 338 9523
– by facsimile: (+41-22) 338 8040

Every attempt will be made to respond to e-mail questions within one business day.”

FILING AND PROCESSING IN ELECTRONIC FORM OF DOCUMENTS RELATING TO INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES, INTERNATIONAL SEARCHING AUTHORITIES, AUTHORITIES SPECIFIED FOR SUPPLEMENTARY SEARCH AND INTERNATIONAL PRELIMINARY EXAMINING AUTHORITIES

EP European Patent Organisation

Under PCT Rules 89bis.1(d) and 89bis.2, and pursuant to Sections 710(a)(i) and (iii) and 713 of the Administrative Instructions under the PCT, the European Patent Office (EPO), in its capacity as International Searching Authority, has notified the International Bureau that:

– the transmittal under PCT Rule 44 of copies in electronic form of international search reports and written opinions established under PCT Rule 43bis.1 to applicants started on 15 December 2011 under the conditions laid down in the Notice from the European Patent Office dated 13 December 2011 concerning EPO online services (OJ EPO 2012, page 22); the transmittal under PCT Rule 44 of copies in electronic form of international search reports or declarations referred to in PCT Article 17(2)(a), and written opinions established under PCT Rule 43bis.1, to the International Bureau is effected under conditions agreed upon between the EPO and the International Bureau;

– the Office may receive and process any search copy, translation or sequence listing in electronic form transmitted under PCT Rule 23 under conditions agreed upon between the EPO and the receiving Office or between the EPO and the International Bureau, as the case may be.
Furthermore, also under PCT Rules 89bis.1(d) and 89bis.2 and pursuant to Sections 710(a)(i) and (iii) and 713 of the Administrative Instructions under the PCT, the Office, in its capacity as receiving Office, International Searching Authority, Authority specified for supplementary search and International Preliminary Examining Authority, has notified the International Bureau that, with effect since 22 April 2014, it is prepared to receive and process subsequently filed documents referred to in PCT Rule 89bis.2 filed in electronic form via the EPO Online Filing software, with the exception of the demand under PCT Chapter II.1

RECEIVING OFFICES

IB International Bureau – Corrigendum

The notification published in the Official Notices (PCT Gazette) of 8 May 2014, page 67, should be corrected to read as follows:

The International Bureau as receiving Office has notified that, since 13 October 2013, in addition to accepting international applications in electronic form filed in XML and PDF formats using PCT-SAFE and EPO Online Filing, it also accepts international applications in electronic form filed in PDF format using ePCT-filing (offline electronic filings may still be furnished on CD-R or DVD-R).

INTERNATIONAL SEARCHING AUTHORITIES

INTERNATIONAL PRELIMINARY EXAMINING AUTHORITIES

EP European Patent Organisation

The European Patent Office (EPO) has notified changes to the conditions for refund of the search fee where the international search report drawn up by the Office is based on an earlier search report prepared by the Office on an application whose priority is claimed for the international application – as from 1 July 2014, earlier searches which will give rise to a refund for a search with written opinion will include a European search (EPC Article 92), an international search (PCT Article 15(1)), a supplementary international search (PCT Rule 45bis) or a search made on behalf of a national Office on a national application (BE3, CY, FR, GR, IT, LT4, LU, MT, NL3, SM4, TR).

1 Only the claims must be in Swedish.
2 Only the claims in English must be translated into Swedish. The claims in English are considered to be the original claims.
3 Includes international-type searches covered by an agreement between the EPO and that Office.
4 Applicable, as from 1 July 2014, to search requests in respect of national applications filed as of 1 January 2014.
US  United States of America

The United States Patent and Trademark Office (USPTO) has notified the International Bureau, in accordance with Article 11(3)(i) of the above-mentioned Agreement, of an amendment to Annex A thereof. Agreement
between the National Institute of Industrial Property of Chile
and the International Bureau of the World Intellectual Property Organization

in relation to the functioning of the National Institute of Industrial Property of Chile
as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The National Institute of Industrial Property of Chile and the International Bureau of
the World Intellectual Property Organization,

Considering

that the PCT Assembly, having heard the advice of the PCT Committee for Technical Cooperation, has appointed the National Institute of Industrial Property of Chile as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty and approved this Agreement in accordance with Articles 16(3) and 32(3),

Hereby agree as follows:

Article 1
Terms and Expressions

(1) For the purposes of this Agreement:

(a) “Treaty” means the Patent Cooperation Treaty;
(b) “Regulations” means the Regulations under the Treaty;
(c) “Administrative Instructions” means the Administrative Instructions under the Treaty;
(d) “Article” (except where a specific reference is made to an Article of this Agreement) means an Article of the Treaty;
(e) “Rule” means a Rule of the Regulations;
(f) “Contracting State” means a State party to the Treaty;
(g) “the Authority” means the National Institute of Industrial Property of Chile;
(h) “the International Bureau” means the International Bureau of the World Intellectual Property Organization.
(2) All other terms and expressions used in this Agreement which are also used in the Treaty, the Regulations or the Administrative Instructions have, for the purposes of this Agreement, the same meaning as in the Treaty, the Regulations and the Administrative Instructions.

**Article 2**

**Basic Obligations**

(1) The Authority shall carry out international search and international preliminary examination in accordance with, and perform such other functions of an International Searching Authority and International Preliminary Examining Authority as are provided under, the Treaty, the Regulations, the Administrative Instructions and this Agreement.

(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

**Article 3**

**Competence of Authority**

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.
(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

Article 4
Subject Matter Not Required to Be Searched or Examined

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex B to this Agreement.

Article 5
Fees and Charges

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex C to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex C to this Agreement:

(i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);

(ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex C to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

Article 6
Classification

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate solely the International Patent Classification.
Article 7
Languages of Correspondence Used by the Authority

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex D.

Article 8
International-Type Search

The Authority shall carry out international-type searches to the extent decided by it.

Article 9
Entry into Force

This Agreement shall enter into force on October 22, 2014.

Article 10
Duration and Renewability

This Agreement shall remain in force until December 31, 2017. The parties to this Agreement shall, no later than July 2016, start negotiations for its renewal.

Article 11
Amendment

1. Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement between the parties hereto; they shall take effect on the date agreed upon by them.

2. Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement between the Director General of the World Intellectual Property Organization and the Authority; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

3. The Authority may, by a notification to the Director General of the World Intellectual Property Organization:
   (i) add to the indications of States and languages contained in Annex A to this Agreement;
   (ii) amend the schedule of fees and charges contained in Annex C to this Agreement;
(iii) amend the indications of languages of correspondence contained in Annex D to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that, for any change in the currency or amount of fees or charges contained in Annex C, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex C, that date is at least two months later than the date on which the notification is received by the International Bureau.

Article 12
Termination

(1) This Agreement shall terminate before December 31, 2017:

(i) if the Authority gives the Director General of the World Intellectual Property Organization written notice to terminate this Agreement; or

(ii) if the Director General of the World Intellectual Property Organization gives the Authority written notice to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

In witness whereof the parties hereto have executed this Agreement.

Done at Geneva, this fourth day of June two thousand and fourteen, in two originals in the English and Spanish languages, each text being equally authentic.

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

EA  Eurasian Patent Organisation

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89bis.1.

On 8 August 2014, the Eurasian Patent Office (EAPO), in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89bis.1(d) and 89bis.2 and pursuant to Section 710(a) of the Administrative Instructions under the PCT, that it is prepared to receive and process international applications in electronic form with effect from 1 September 2014, as follows:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)

As to means of transmittal (Section 710(a)(i)):

- on-line filing (see Annex F, section 5.1 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing

As to types of electronic signature (Section 710(a)(i)):

- the international application must be signed by means of a basic electronic signature (text string or facsimile) or by means of an enhanced electronic signature (see Annex F, section 3.3)
As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgment of receipt of any purported international application filed with the EAPO as receiving Office contains, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The EAPO will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1), or if outdated certificates have been used, that a notification of receipt will not be generated. Other errors, such as applications being infected by viruses or other forms of malicious logic, are notified to the applicant in the acknowledgment of receipt. Where it transpires that an acknowledgment of receipt transmitted to the applicant by electronic means was not successfully transmitted, the EAPO will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

No online payment is available. The following means of deferred payment are accepted: deposit account or payment by bank transfer.

As to details concerning help desks (Section 710(a)(ii)):

The EAPO has put in place a help desk (EAPO hot line) for applicants.

The task of this help desk is to answer questions from users filing applications at the EAPO.

This help desk is open from Monday to Friday, from 9.00 a.m. until 5.00 p.m.

The EAPO help desk may be contacted as follows:

– by telephone: (74-95) 411 61 50
– by e-mail at the following address:

hotline@eapo.org

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

– international applications
– subsequently filed documents for international applications as supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application. The files should be in ZIP format and contain texts either in ASCII plain text or in any other commonly known format.
As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In the event of failure of the electronic systems when an international application is filed with it, the EAPO will use all means available to inform the applicant of alternative filing procedures.

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

– WIPO customer certificate issued by the WIPO Customer CA (for the certificate policy, see www.wipo.int/pct-safe/en/certificates.html)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

ePCT private services provide access to files of international applications to the extent that they are available at the International Bureau."

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

MY  Malaysia

Under PCT Rules 89bis.1(d) and 89bis.2, and pursuant to Section 710(b) of the Administrative Instructions under the PCT, the Intellectual Property Corporation of Malaysia, in its capacity as receiving Office, has notified the International Bureau of a number of changes to its notification published in PCT Gazette No. 44/2006, of 2 November 2006, pages 19118 et seq., and, in particular, that it is prepared to accept international applications filed using ePCT-Filing, with effect from 1 October 2014. Consequently, as from that date, the following notification will replace the aforementioned notification:

“As to electronic document formats (Section 710(a)(i)):

– XML (in general; see Annex F, section 3.1.1.1)
– WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
– PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
– TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)
– TXT (for certain files that accompany the international application, referenced by XML files; see Annex F, section 3.1.1.3)
As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing
- PCT-SAFE software ¹

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string signatures (see Annex F, sections 3.3.1 and 3.3.2)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk will be available between 8.15 a.m. and 5.15 p.m. Monday to Friday, excluding official holidays. The help desk may be contacted:

¹ Until 31 October 2014.
As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.myipo.gov.my).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.htm)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”

**NZ New Zealand**

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89bis.1.
On 24 September 2014, the Intellectual Property Office of New Zealand, in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89bis.1(d) and 89bis.2 and pursuant to Section 710(a) of the Administrative Instructions under the PCT, that it is prepared to receive and process international applications in electronic form with effect from 1 October 2014, as follows:

– enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).
The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk may be contacted:

- by e-mail at: faleconosco@inpi.gov.br

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will not accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.inpi.gov.br).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.htm)
As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS AND DOCUMENTS RELATING TO INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES, INTERNATIONAL SEARCHING AUTHORITIES, AUTHORITIES SPECIFIED FOR SUPPLEMENTARY SEARCH AND INTERNATIONAL PRELIMINARY EXAMINING AUTHORITIES

EP European Patent Organisation

Under PCT Rules 89bis.1(d) and 89bis.2, and pursuant to Sections 710(b) and 713 of the Administrative Instructions under the PCT, the European Patent Office (EPO), in its capacity as receiving Office, International Searching Authority, Authority specified for supplementary search and International Preliminary Examining Authority, has notified the International Bureau of a number of changes to previous notifications published in the PCT Gazette and in the Official Notices (PCT Gazette), and, in particular, that it is prepared to receive and process international applications filed using ePCT-Filing, with effect since 1 November 2014. Hence, the current means for filing international applications with the Office are EPO Online Filing, PCT-SAFE, EPO web-form filing service, EPO case management system and ePCT-Filing. With the exception of ePCT-Filing, all of the aforementioned means are also available for transmitting subsequently filed documents to the Office.

"FILING VIA EPO ONLINE FILING AND PCT-SAFE:

As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- ASCII (7- and 8-bit) (see Annex F, section 3.1.1.3)
- PDF (see Annex F, section 3.1.2)
- TIFF (for drawings and, in exceptional cases, description and claims; see Annex F, section 3.1.3.1)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))
- CD-R filing (see Annex F, section 5 and Appendix III, section 2(d) and (e))
- DVD-R or DVD+R filing (see Annex F, section 5)

As to electronic document packaging (Section 710(a)(i)):

- WAD (Wrapped Application Documents; see Annex F, section 4.1.1)
- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)
As to electronic filing software (Section 710(a)(i)):

- EPO Online Filing software
- PCT-SAFE software

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string (see Annex F, sections 3.3.1 and 3.3.2)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The notification of receipt of any purported international application filed with the European Patent Office as receiving Office in electronic form will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The European Patent Office will make every effort to accept an international application in electronic form. Only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) or if the package submitted does not contain any files, will a notification or confirmation of receipt not be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or missing files are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the European Patent Office will promptly retransmit the notification of receipt by mail (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available. Only currently available means of payment are allowed.

As to details concerning help desks (Section 710(a)(iii)):

The European Patent Office has put in place a help desk to answer questions from users of the service. The help desk will be available between 8.00 a.m. and 6.00 p.m. Monday to Friday, excluding official holidays. The help desk may be contacted:

- by telephone at: 00 800 80 20 20 20
- by e-mail at: www.epo.org/service-support/contact-us.html

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international application
- subsequently filed documents (including the PCT Chapter II demand)
As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The European Patent Office will accept the filing of documents in pre-conversion format under Section 706(a) and (f) of the Administrative Instructions. In particular, the files should be archived in ZIP format and contain either plain ASCII text or be created with one of the following word processing programs:

- Microsoft Word 97 and later releases
- Corel WordPerfect 6.1, 8 & 10 and later releases
- Writer of OpenOffice 2.0 and later releases (including the corresponding StarOffice products)

Any objects originating from other programs may be embedded into documents being generated by the word processing programs mentioned above as long as they can be viewed without loss of the information being contained in these objects.

Documents in a format other than those mentioned above may be attached in that format only if the applicant informs the European Patent Office at the time of filing where it can within reason acquire the relevant software.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when electronic systems of the Office are not available (see Section 710(a)(v)):

The European Patent Office will provide information concerning the availability of its online filing systems on its website (www.epo.org).

As to the certification authorities accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

Agreement between the European Patent Organisation and the International Bureau of the World Intellectual Property Organization¹ – Amendment to Annex A

The European Patent Office (EPO) has notified the International Bureau, in accordance with Article 11(2) of the above-mentioned Agreement, of an amendment to Annex A thereof. This amendment, which will enter into force on 1 January 2015 and will be applicable to all international applications filed on or after that date, consists in withdrawing the limitation of competence applied by the Office, as International Searching and Preliminary Examining Authority, to international applications filed by nationals or residents of the United States of America with the United States Patent and Trademark Office (USPTO) or the International Bureau as receiving Office, where such applications contain claims relating to business methods. The amended Annex A will read as follows:

“Annex A
Languages and Kinds of Application

Under Article 3 of the Agreement, the Authority specifies:

(i) [no change]

(ii) the following kinds of application for which it will not act:

as an International Preliminary Examining Authority, international applications where the international search is to be, or has been, performed by an International Searching Authority other than the European Patent Office or the industrial property Office of a State party to the European Patent Convention.”

FEES PAYABLE UNDER THE PCT

AU Australia

The Australian Patent Office has notified an additional condition for refund and an additional amount of refund, in Australian dollar (AUD), of the search fee payable for an international search carried out by the Office – where a declaration of non-establishment of the international search report is issued under PCT Article 17(2)(a), the amount of AUD 1,500 will be refunded.

[Updating of Annex D(AU) of the PCT Applicant’s Guide]

IN India

Following the notification by the Indian Patent Office that it is prepared to receive and process international applications in electronic form since 15 November 2014 (see the Official Notices (PCT Gazette) of 13 November 2014, pages 170 et seq.), equivalent amounts in US dollar (USD) have been established for two of the reductions under item 4 of the PCT Schedule of Fees, with effect since the same date, as follows:

- Electronic filing (the request in character coded format): USD 221
- Electronic filing (the request, description, claims and abstract in character coded format): USD 332

AZ Azerbaijan

The State Committee for Standardization, Metrology and Patent of the Republic of Azerbaijan has notified new amounts of the transmittal fee (PCT Rule 14) and of the fee for the priority document (PCT Rule 17.1(b))\(^1\), in Azerbaijani manat (AZN), payable to it as receiving Office. These amounts are AZN 30 and AZN 20, respectively.

[Updating of Annex C(AZ) of the *PCT Applicant’s Guide*]

Furthermore, the Office has notified new amounts of the components of the national fee\(^1\), in Azerbaijani manat (AZN), payable to it as designated (or elected) Office, as follows:

For a patent or a utility model:
- Filing fee (including examination): AZN 20
- Additional fee for each independent claim in excess of one: AZN 25
- Additional fee for each dependent claim in excess of 10: AZN 20
- Annual fee for the third year: AZN 50

[Updating of the National Chapter, Summary (AZ), of the *PCT Applicant’s Guide*]

CY Cyprus

The Department of Registrar of Companies and Official Receiver of Cyprus has notified a new amount of the transmittal fee (PCT Rule 14), in euro (EUR), payable to it as receiving Office. This amount is EUR 163.

[Updating of Annex C(CY) of the *PCT Applicant’s Guide*]

EG Egypt

Further to the notification by the Egyptian Patent Office as receiving Office that it no longer accepts the filing of international applications with requests in PCT-EASY format, the corresponding reduction under item 4 of the PCT Schedule of Fees no longer applies.

[Updating of Annex C(EG) of the *PCT Applicant’s Guide*]

---

\(^1\) These fees are subject to value added tax (VAT) of 18%.
IB  International Bureau

Agreement between the Government of Israel and the International Bureau of the World Intellectual Property Organization1 – Amendment to Annex A

The Israel Patent Office has notified the International Bureau, in accordance with Article 11(3)(i) of the above-mentioned Agreement, of an amendment to Annex A thereof. This amendment, which will enter into force on 1 January 2015, consists of the addition of Georgia to the States indicated in item (i) of the Annex. The amended Annex A will read as follows:

Under Article 3 of the Agreement, the Authority specifies:

(i) the following States for which it will act:

Israel, United States of America, Georgia;

(ii) [no change]"

RECEIVING OFFICES

GE  Georgia

The National Intellectual Property Center of Georgia (Sakpatenti) has specified the Israel Patent Office, in addition to the Austrian Patent Office, the European Patent Office (EPO), the Federal Service for Intellectual Property (Rospatent) (Russian Federation) and the United States Patent and Trademark Office (USPTO), as competent International Searching and Preliminary Examining Authority for international applications filed by nationals and residents of Georgia with the National Intellectual Property Center of Georgia (Sakpatenti), or with the International Bureau, with effect from 1 January 2015.

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

CL  Chile

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89bis.1.
On 17 October 2014, the National Institute of Industrial Property (Chile), in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89bis.1(d) and 89bis.2 and pursuant to Section 710(a) of the Administrative Instructions under the PCT, that it is prepared to receive and process international applications in electronic form with effect from 1 January 2015, as follows:

“As to electronic document formats (Section 710(a)(i)):
- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)
- TXT (for certain files that accompany the international application, referenced by XML files; see Annex F, section 3.1.1.3)

As to means of transmittal (Section 710(a)(i)):
- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):
- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):
- ePCT-Filing

As to types of electronic signature (Section 710(a)(i)):
- facsimile and text string signatures (see Annex F, sections 3.3.1 and 3.3.2)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(iii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.
Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk will be available between 8.15 a.m. and 5.15 p.m. Monday to Friday, excluding official holidays. The help desk may be contacted:

– by telephone at: (56-2) 28 87 05 50
– by e-mail at: pct@inapi.cl

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

– international applications
– subsequently filed documents for international applications, to the extent supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.inapi.cl).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

– WIPO customer CA (www.wipo.int/pct-safe/en/certificates.htm)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”
