PART 1
INSTRUCTIONS RELATING TO GENERAL MATTERS

Section 111
Procedure and Considerations in the Case of Excuse of the Delay in Meeting Certain Time Limits under Rule 82quater

(a) Where the receiving Office, the International Searching Authority, the Authority specified for supplementary search, the International Preliminary Examining Authority, or the International Bureau receives a request under Rule 82quater for the excuse of a delay in meeting a time limit, it shall promptly:
   (i) communicate its decision whether or not to excuse such a delay to the interested party; and
   (ii) where applicable, transmit a copy of such a request, a copy of any evidence furnished and of its decision to the International Bureau.

(b) An interested party desiring to have delays excused due to general unavailability of electronic communications services under Rule 82quater.1 must establish that the outage of electronic communications services affected a widespread geographical area rather than being a localized problem, that it was unexpected or unforeseen, and that there was no alternative communication means available to him.

(c) Where any Office that acts as the receiving Office, the International Searching Authority, the Authority specified for supplementary search, or the International Preliminary Examining Authority provides for the excuse of a delay in meeting time limits due to the unavailability of electronic means of communication at that Office under Rule 82quater.2, it shall notify the International Bureau accordingly. The International Bureau shall promptly publish this information in the Gazette.

(d) Where the International Bureau provides for the excuse of a delay in meeting time limits due to the unavailability of electronic means of communication at the Bureau under Rule 82quater.2, it shall publish this information in the Gazette.

(e) The International Bureau shall also promptly publish in the Gazette any notification received by it under Rule 82quater.2(a), last sentence.

PART 3
INSTRUCTIONS RELATING TO THE RECEIVING OFFICE

Section 308bis
Marking of Later Submitted Sheets

The receiving Office shall indelibly mark any sheet containing an element referred to in Article 11(1)(iii)(d) or (e), or a part referred to in Rule 20.5(a) or an element or part referred to in Rule 20.5bis(a), received on a date later than the date on which sheets were first received ("later submitted sheet"), in the upper right-hand corner of each sheet, with the international application number referred to in Section 307 and the date of actual receipt of that sheet.

Section 309
Procedure in the Case of Later Submitted Sheets Furnished for the Purposes of Incorporation by Reference

(a) This Section applies, subject to paragraph (f), to later submitted sheets which accompany a notice confirming under Rule 20.6 that an element or part embodied in those sheets was incorporated by reference.
(b) Where later submitted sheets as referred to in paragraph (a) are received within the applicable time limit referred to in Rule 20.7 and the receiving Office makes a finding under Rule 20.6(b), the receiving Office shall:

(i) indelibly mark, in the middle of the bottom margin of each later submitted sheet, the words “INCORPORATED BY REFERENCE (RULE 20.6)”, or their equivalent in the language of publication of the international application;

(ii) notify the applicant that the element or part contained in the later submitted sheets is considered to have been contained in the international application or purported international application on the date when sheets were first received and that that date has been accorded or retained, as the case may be, as the international filing date;

(iii) keep in its files a copy of the later submitted sheets marked under item (i) and of the notice under Rule 20.6(a);

(iv) where the later submitted sheets are furnished under Rule 20.5bis to correct any sheets that have been erroneously filed (“erroneously filed sheets”), indelibly mark, in the middle of the bottom margin of each erroneously filed sheet, the words “ERRONEOUSLY FILED (RULE 20.5bis)”, or their equivalent in the language of publication of the international application, and move the erroneously filed sheets to the end of the corresponding element of the purported international application;

(v) where transmittals under Article 12(1) have already been made, notify the International Bureau and the International Searching Authority accordingly, and transmit the later submitted sheets marked under item (i) and the notice under Rule 20.6(a) to the said Bureau and a copy thereof to the said Authority; and

(vi) where transmittals under Article 12(1) have not yet been made, attach the later submitted sheets marked under item (i) and the notice under Rule 20.6(a) to the record copy and a copy thereof to the search copy.

(c) Where later submitted sheets referred to in paragraph (a) are received within the applicable time limit referred to in Rule 20.7 and the receiving Office makes a finding under Rule 20.6(c), the receiving Office shall, subject to Section 310bis:

(i) effect the required correction of the international filing date or accord as the international filing date the date of receipt of the later submitted sheets;

(ii) notify the applicant that the content of the later submitted sheets is not considered to have been contained in the international application or purported international application on the date when sheets were first received and that the international filing date has been accorded as, or corrected to, as the case may be, the date on which the new sheets were received;

(iii) keep in its files a copy of the later submitted sheets and of the notice under Rule 20.6(a);

(iv) where the later submitted sheets are furnished under Rule 20.5bis to correct any erroneously filed sheets, remove the erroneously filed sheets from the international application and notify the applicant accordingly, and keep a copy of the removed sheets in the file;

(v) where transmittals under Article 12(1) have already been made, notify the International Bureau and the International Searching Authority accordingly and transmit a copy of the corrected first and last sheets of the request, the later submitted sheets and the notice under Rule 20.6(a) to the said Bureau and a copy thereof to the said Authority; and

(vi) where transmittals under Article 12(1) have not yet been made, attach the later submitted sheets and the notice under Rule 20.6(a) to the record copy and a copy thereof to the search copy.

(d) Where later submitted sheets referred to in paragraph (a) are received within the applicable time limit referred to in Rule 20.7 but the purported international application still does not fulfill the requirements of Article 11(1), the receiving Office shall proceed as provided in Rule 20.4, but not before the expiration of the time limit under Rule 20.7.
Where later submitted sheets referred to in paragraph (a) are received after the expiration of the applicable time limit referred to in Rule 20.7, the receiving Office shall proceed as provided in Section 310ter.

Where later submitted sheets referred to in paragraph (a) are received but a missing element or part contained in those sheets cannot be incorporated by reference in the international application under Rules 4.18 and 20.6 because of the operation of Rule 20.8(a), the receiving Office shall:

(i) inform the applicant that the notice under Rule 20.6(a) confirming the incorporation by reference of the missing element or part has been disregarded;

(ii) proceed in accordance with Section 310(b), which shall apply *mutatis mutandis*, as if the notice under Rule 20.6(a) were a correction furnished under Rule 20.3(b)(i), or a missing part furnished under Rule 20.5(b) or (c), as the case may be; and

(iii) proceed in accordance with Section 310bis(b) where the applicant requests, within the time limit under Rule 20.5(e), that the missing part concerned be disregarded.

Where later submitted sheets referred to in paragraph (a) are furnished under Rule 20.5bis to correct any erroneously filed element or part but the correct element or part embodied in those sheets cannot be incorporated by reference in the international application under Rules 4.18 and 20.6 because of the operation of Rule 20.8(a-bis), the receiving Office shall:

(i) subject to subparagraph (ii), transmit the international application to the International Bureau as receiving Office;

(ii) if the applicant does not authorize the transmittal of the international application under Rule 19.4(a)(iii) or does not pay the required fee within the applicable time limit, proceed in accordance with Section 333(c) and apply the procedure provided in paragraph (f) *mutatis mutandis* as if the notice under Rule 20.6(a) were a correction furnished under Rule 20.5bis(b) or (c), as the case may be.

Section 311
Renumbering in the Case of Deletion, Substitution or Addition of Sheets of the International Application and of the Translation Thereof

(a) The receiving Office shall, subject to Section 207, sequentially renumber the sheets of the international application when necessitated by the addition of any new sheet, the deletion of entire sheets, a change in the order of the sheets or any other reason.

(b) The sheets of the international application shall be provisionally renumbered in the following manner:

(i) subject to paragraph (iii), when a sheet is deleted, the receiving Office shall either include a blank sheet with the same number and with the word “DELETED,” or its equivalent in the language of publication of the international application, below the number, or insert, in brackets, below the number of the following sheet, the number of the deleted sheet with the word “DELETED” or its equivalent in the language of publication of the international application;

(ii) when one or more sheets are added, each sheet shall be identified by the number of the preceding sheet followed by a slant and then by another Arabic numeral such that the additional sheets are numbered consecutively, starting always with number one for the first sheet added after an unchanged sheet (e.g., 10/1, 15/1, 15/2, 15/3, etc.); when later additions of sheets to an existing series of added sheets are necessary, an extra numeral shall be used for identifying the further additions (e.g., 15/1, 15/1/1, 15/1/2, 15/2, etc.).

INTRODUCTION

1. This Standard has been elaborated so as to provide standardization of the presentation of nucleotide and amino acid sequence listings in international patent applications. The Standard is intended to allow the applicant to draw up a single sequence listing which is acceptable to all receiving Offices, International Searching and Preliminary Examining Authorities for the purposes of the international phase, and to all designated and elected Offices for the purposes of the national phase. It is intended to enhance the accuracy and quality of presentations of nucleotide and amino acid sequences given in international applications, to make for easier presentation and dissemination of sequences for the benefit of applicants, the public and examiners, to facilitate searching of sequence data and to allow the exchange of sequence data in electronic form and the introduction of sequence data onto computerized databases.

DEFINITIONS

2. For the purposes of this Standard:

   (i) the expression “sequence listing” means a nucleotide and/or amino acid sequence listing which gives a detailed disclosure of the nucleotide and/or amino acid sequences and other available information;

   (i-bis) the expression “sequence listing forming part of the international application” means a sequence listing contained in the international application as filed (as referred to in paragraph 3), including any sequence listing or part thereof which is included in the international application under Rule 20.5(b) or (c), or 20.5bis(b) or (c), which is considered to have been contained in the international application under Rule 20.6(b), or which has been corrected under Rule 26, rectified under Rule 91 or amended under Article 34(2); or a sequence listing included in the international application by way of an amendment under Article 34(2)(b) of the description in relation to sequences contained in the international application as filed (as referred to in paragraphs 3bis and 3ter);

   (i-ter) the expression “sequence listing not forming part of the international application” means a sequence listing which does not form part of the international application but is furnished for the purposes of the international search or international preliminary examination (as referred to in paragraphs 4 and 4bis);

   (ii) sequences which are included are any unbranched sequences of four or more amino acids or unbranched sequences of ten or more nucleotides. Branched sequences, sequences with fewer than four specifically defined nucleotides or amino acids as well as sequences comprising nucleotides or amino acids other than those listed in Appendix 2, Tables 1, 2, 3 and 4, are specifically excluded from this definition;

   (iii) “nucleotides” embrace only those nucleotides that can be represented using the symbols set forth in Appendix 2, Table 1. Modifications, for example, methylated bases, may be described as set forth in Appendix 2, Table 2, but shall not be shown explicitly in the nucleotide sequence;

   (iv) “amino acids” are those L-amino acids commonly found in naturally occurring proteins and are listed in Appendix 2, Table 3. Those amino acid sequences containing at least one D-amino acid are not intended to be embraced by this definition. Any amino acid sequence that contains post-translationally modified amino acids may be described as the amino acid sequence that is initially translated using the symbols shown in Appendix 2, Table 3, with the modified positions, for example, hydroxylations or glycosylations, being described as set forth in Appendix 2, Table 4, but these modifications shall not be shown explicitly in the amino acid
sequence. Any peptide or protein that can be expressed as a sequence using the symbols in
Appendix 2, Table 3, in conjunction with a description elsewhere to describe, for example,
abnormal linkages, cross-links (for example, disulfide bridge) and end caps, non-peptidyl bonds,
etc., is embraced by this definition;

(v) “sequence identifier” is a unique integer that corresponds to the SEQ ID NO
assigned to each sequence in the listing;

(vi) “numeric identifier” is a three-digit number which represents a specific data
element;

(vii) “language-neutral vocabulary” is a controlled vocabulary used in the sequence
listing that represents scientific terms as prescribed by sequence database providers (including
scientific names, qualifiers and their controlled-vocabulary values, the symbols appearing in
Appendix 2, Tables 1, 2, 3 and 4, and the feature keys appearing in Appendix 2, Tables 5
and 6);

(viii) “competent Authority” is the International Searching Authority that is to carry out
the international search and to establish the written opinion of the International Searching
Authority on the international application, or the International Preliminary Examining Authority
that is to carry out the international preliminary examination on the international application.
