ABBREVIATED EXPRESSIONS
meaning of certain abbreviated expressions ................. Art. 2, R. 1.1, AI Sec. 101, 701, ISPEG 1.06-1.08, ROG 4-9
See TWO-LETTER CODES

ABSENCE
absence of abstract
before
RO .......................................................... Art.3(2), 14(1)(a)(iv), (b), 26.1, 38.1, Form RO/106, ISPEG 16.31, ROG 147
ISA .......................................................... Art.3(2), 3(3), R. 38.2, Form ISA/210, ISPEG 16.34
absence of claims ........................................ Art. 11(1)(iii)(c), (d)(a), R. 26.3(a), ROG 42, 45-54
absence of payment of fees ....................................... Art. 3(4)(iv), 4(2), 14(3)
absence of specification of allocation of fees by
applicant ........................................................ Art. 3(4)(iv), 4(2), AI Sec. 321
search fee ..................................................... Art. 3(4)(iv), R. 16(b)(1)(c)(i), AI Sec. 321 (b), (d)
absence of quorum in Assembly (voting) ..................... Art. 53(1)(b), R. 85
meetings of PCT Assembly in absence of exceptional
circumstances .............................................. Art. 53(11)(a)
requirement of absence of opposition by certain states to
amendment of certain Reg. ................................ R. 88.3

ABSTAIN/ABSTENTION
abstain/abstention in Assembly not considered votes ...... Art. 53(6)(b)
abstain/abstention in Executive Committee not
considered votes ............................................ Art. 54(8)(d)
abstain/abstention may be expressed in voting by
correspondence ............................................. R. 81.3(d), 85

ABSTRACT (PART OF IA)
abstract (part of IA) as element of IA .......................... Art. 3(2) R. 8
commencing on separate sheet ................................. R. 11.4, AI Sec. 207
before RO ...................................................... Art.3(2), 14(1)(a)(iv), (b), R. 11, 26.1, 26.2, 26.3, 26.5, AI Sec. 207(a), Form RO/106, ROG 147, 153
before ISA and IPEA ......................................... Art. 3(2), (3), R. 8, 38, 44.2, ISPEG 15.34, 16.30-16.39
change in abstract (part of IA) as previously established by ISA
(based on applicant’s comments) ......................... R. 38.3, AI Sec. 315, Form ISA/205, ISPEG 16.39
failure by applicant to suggest a figure to be
published with abstract (part of IA) ......................... R. 8.2
indications in ISR concerning
abstract (part of IA) .......................................... R. 44.2(a)
electronic copy of abstract (part of IA) (PCT-SAFE) ....... R. 89ter, AI Sec. 102bis, ROG 165A(ii)-165M, 246A
language/translation of abstract (part of IA) ................. R. 38.2, 48.3(c)
later receipt of abstract (part of IA) ......................... ROG 207
missing or defective abstract (part of IA) before
RO .......................................................... Art.3(2), 14(1)(a)(iv), (b), R. 26.1, 38, Form RO/106, ISPEG 16.32, ROG 147
ISA .......................................................... Art.3(2), (3), R. 38.2, Form ISA/210, ISPEG 16.34
publication of abstract (part of IA) ......................... R. 8.2, 48.2(b)(iii), 86.1(e)
figure of drawings to be published with
abstract (part of IA) ......................................... R. 3.3(a)(iii), 8.2, ISPEG 16.33(c)

ABSTRACT (PART OF MINIMUM DOCUMENTATION)
generally .......................................................... Art. 15(4), R. 34.1(e)

ACCESS
gen generally .................................................. Art. 30, 38
definition ..................................................... Art. 30(4)
access to electronic records ..................................... AI Sec. 710(a)(vii), 711(b), 712
access to file held by
DO ................................................................ Art. 30(2)
for purposes of judicial Authorities ......................... Art. 30(2)(c)
EO ................................................................ Art. 30(2)(a), R. 94.3(as in force for IAs filed on or after 1 July 1998), ISPEG 2.16
IB by applicant ............................................... Art. 30(1)(c), R. 94.1(a)(as in force for IAs filed on or after 1 July 1998)

notification concerning copies of documents in the file for IAs filed before 1 July 1998 .......................................... R. 94.1 (as in force for IAs filed before 1 July 1998), Form IB/360
after 1 July 1998 .......................................................... R. 94.1 (as in force for IAs filed on or after 1 July 1998), Form IB/366
by third party .................................................................. Art. 30(1)(b), R. 61.4, 94.1(a) (as in force for IAs filed on or after 1 July 1998), ISPEG 2.16
notification concerning copies of documents in the file ........................................................ R. 94.1 (as in force for IAs filed on or after 1 July 1998), Form IB/366
invitation to pay for requested copies of documents in the file .......................................................... R. 94.1, Form IPEA/422

ACCESSION

accession to PCT ............................................................. Art. 62(1)(ii)
instrument of accession deposited with DG ................ Art. 62(2)
required number for entry into force of PCT .......... Art. 63(1)(e)
Contracting States bound three months after deposit of instrument of accession ............................. Art. 63(1)(a), (2)
notifications by DG of deposits of instruments of accession ............................................................. Art. 62, 69(ii)
reservations may be made at time of accession ............. Art. 64(b)

ACCOUNTS OF UNION

accounts of union approved by Assembly ............... Art. 53(2)(a)(vi)
audit reports on accounts of union submitted to Assembly ...... Art. 54(6)(a)(iv)
auditing of accounts of union ........................................... Art. 57(9)
See FINANCES (OF UNION OF PCT STATES)

ADDITION OF SHEETS TO IA

before IB .......................................................... R. 26.4, AI Sec. 413, 413bis
amendments of claims under Art. 19 .................... Art. 19, R. 46.5, AI Sec. 205
notice of correction or addition of declaration referred to in R. 26ter 1 as replacement or addition of sheets to IA ........................................... Art. 27, R. 4.17, 26ter.1, AI Sec. 216
(re)numbering of sheets for international publication due to ....................................................... Art. 3(4)(ii), 14(1)(a)(v), R. 11.7, AI Sec. 207, 410
before IPEA
amendments in form of addition of sheets to IA ...... R. 66.8
amendments of claims under Art. 34(2)(b) ............. AI Sec. 205
before RO
later filed sheets .......................................................... R. 20.5(b)-(e), AI Sec. 308bis, 309, 310, Form RO/126, ROG 193-206
later receipt of abstract ................................................. ROG 207
notice of correction or addition of declaration referred to in R. 26ter 1 as replacement or addition of sheets to IA ........................................... Art. 27, R. 4.17, 26ter.1, AI Sec. 216
replacement sheets .......................................................... R. 11.14, 26.4, AI Sec. 325, ROG 208-221
(re)numbering of sheets of IA or translation ......... Art. 3(4)(ii), 14(1)(a)(v), R. 11.7, AI Sec. 207, 311
See CORRECTION(S)
DRAWEING(S)
REPLACEMENT SHEETS
SHEETS
ADDITIONAL FEE

ISA may invite applicant to pay additional fee if it considers that unity of invention is lacking .............. Art. 17(3)(a), R. 40.1
additional fee(s) payable to ISA .................................. R. 40.2 (a), (b), (c), (e)
notification regarding review of justification for invitation to pay additional fee ...................... R. 40.2(c)
time limit to pay additional fee to ISA ...................... Art. 17(3)(a), R. 40.1, Form ISA/206
IPEA may invite applicant to restrict claims or pay additional fee if it considers that unity of invention is lacking .... Art. 34(3)(a), R. 68.2

6
additional fee(s) payable to IPEA ........................................ R. 68.3 (a), (b), (c), (e)
invitation to restrict or pay additional fee ........................................... Art. 34(3)(a), R. 68.2, Form IPEA/405
See PROTEST

SPECIAL

ADDITIONAL MATTER
As may permit inclusion of additional matter in
ISR ..................................................................................... R. 43.9
Req. ..................................................................................... R. 4.19
See CORRECTION(S)

DELETION
NEW MATTER

ADDRESS(ES)
address(es) in designated State for purpose of receiving
notifications .................................................................................. Art. 27(7)
indication of address(es) in
Dem. .................................................................................... Art. 31(3), R. 4.4, 4.5, 4.7, 4.16, 53.4, 53.5
IA ..................................................................................... R. 4.4, 4.5, 4.6, 51bis.1(a)(vii), ROG 72-74
of applicants, inventors and agents ........................................... R. 4.4(d), ROG 118
special address(es) for correspondence ..................................... R. 4.4(d), ROG 118
of refused request for rectification of obvious
mistake ..................................................................................... R. 91.3(d), AI Sec. 113(b)
under Art. 21(2)(b) and 64(3)(c)(i) ............................................... R. 48.4(a), AI Sec. 113(a)
maximum number of characters in applicant’s
file reference ................................................................................ R. 11.6(f), AI Sec. 109(a)
administrative instructions (AIs) may permit
inclusion of additional matter in
ISR ..................................................................................... R. 4.17(a)
Req. ..................................................................................... R. 4.19
administrative instructions (AIs) may provide
details concerning Gaz. other than in
R. 86.1 to 86.5 ........................................................................ R. 86.6
for sign for Art. 35(2) statement in
IPRP (Ch.I, Ch.II).................................................................... R. 43bis.1(b), R. 70.6(a)
administrative instructions (AIs) (may) specify
circumstances in which question of residence or
nationality is to be referred by
IB as RO to national Office concerned ..................................... R. 18.1(c)
IPEA to RO (or national Office where IA is
filed with IB as RO) .............................................................. R. 54.1(b)
data from front page of international publication
to be included in Gaz. ............................................................... R. 86.1(i), AI Annex D
place on each sheet of IA for marking date or
number and other details ...................................................... AI Sec. 308, 313, 314, 318, 325, 401, 402
administrative instructions (AIs) prescribe/govern/regulate
allocation of moneys received by RO in certain cases. AI Sec. 321
data for inclusion on front page of
international publication .......................................................... R. 48.2(b)(ii), AI Sec. 406(c)
information to be published in Gaz. under
R. 86.1(v) ............................................................................... R. 86.1(v), AI Annex E
method of
numbering in case of amendment of claims ..................... R. 6.1(c), AI Sec. 205
identifying any cited document in ISR .................... R. 43.5(b), AI Sec. 503, Stand. ST.14
particulars of
form of international publication and method of reproduction .................................................... R. 48.1, AI Sec. 406
printed Req. form and of Req. presented as computer print-out .......................................... R. 3.4, AI Sec. 102(a)(i)-(c), (h), AI Annex A (Part I), Form RO/101
printed Dem. form and of Dem. presented as computer print-out .......................................... R. 53.1(a), AI Sec. 102(a)(i)-(c), (h), AI Annex A (Part IV), Form IPEA/401
physical requirements as to form of ISR .......................................................................... R. 43.10, AI Sec. 102(a)(iii), AI Annex A (Part II), Form ISA/210
IPRP (Ch.I) .............................................................. R. 44bis.1
IPRP (Ch.II) ............................................................ R. 70.15, AI Sec. 102(a)(v), AI Annex A (Part IV), Form IPEA/409
signature concerning declaration of inventorship .................................................... R. 4.17(iv), AI Sec. 214(c)
standard for presentation of SLs in IAs ........................................................................ Art. 27(2)(ii), 27(7), R. 51bis.1(b)
administrative instructions (AIs) suggest appropriate heading for each part of description ........................................................................ R. 5.1(c), AI Sec. 204
establishment of administrative instructions (AIs) by DG on basis of Reg. ......................... Art. 58(4)
after consultation with ROs, ISAs and IPEAs ..................... R. 89.2(a)
modification of administrative instructions (AIs) .................. R. 89.2(b),(c), 89.3
after consultation with interested Offices or Authorities ............................................. R. 89.2(b)
publication and entry into force .......................................................... R. 89.3
scope and contents of administrative instructions (AIs) .................................................. R. 89.1
ADMINISTRATIVE PROVISIONS OF THE PCT

INTERNATIONAL APPLICATION (IA)

- Generally defined: Art. 3, (vii), (viii)
- Elements of international application: Art. 3(2)
- Arrangement/order of elements: AI Sec. 207, ROG 139-140
- Incorporation by reference of elements and parts: R. 4.18, 20.6, AI Sec. 305ter, 411bis, Form RO/114, ROG 49-51, 204-205F
- Identification of international application (IA) with 2 or more applicants: AI Sec. 105
- International application (IA) equivalent to regular national filing: Art. 11(4)
- International application (IA) treated as continuation or continuation-in-part: R. 4.11(a)(ii), 49bis.1(c)
- Missing parts: R. 20.5
- Numbering of international application (IA): R. 20.1(a), AI Sec. 307, ROG 35

INTERNATIONAL BUREAU (IB)

- Generally defined: Art. 55
- Directions given by Assembly to International Bureau (IB): concerning preparations for revisions conferences: Art. 53(2)(a)(iii)
- International Bureau (IB) as RO: R. 18.1(c), 19.1, 83.1bis

INTERNATIONAL COURT OF JUSTICE

- Disputes between Contracting States concerning interpretation or application of Treaty before International Court of Justice: Art. 59

INTERNATIONAL FILING DATE

- Correction of international filing date: R. 20.5(c), AI Sec. 310bis
- Date of receipt accorded by RO as international filing date: Art. 11(1), Rule 20, ROG 35-54
- Date of receipt accorded as international filing date on the basis of an incorporation by reference: R. 20.6, 82ter.1(b)
- Date of receipt of drawings referred to in IA but received later: Art. 14(2), R. 20.5, 20.6
- Date of receipt of required correction as international filing date: Art. 11(2)(b), R. 20.3(b)
- Effect of IA as of international filing date: Art. 11(3), R. 20.2, AI Sec. 324
- E-filing: R. 89bis.1(c), AI Sec. 704(c), 708(b)(iii)-(v)
- Later finding of non-compliance with requirements for according international filing date: Art. 11(1), 14(4)
- Certain facts called to attention of RO by IB or ISA: Art. 14(4), R. 29.3
- Notification of facts which should have precluded the according of international filing date: R. 29.3, Forms IB/321, ISA/209
- Notification of applicant of decision not to issue declaration: Art. 14(4), R. 29.4(a), AI Sec. 312, Form RO/127, ROG 52, 53
- Of intent to issue declaration that IA is considered withdrawn: R. 14(4), R. 29.4(b), Form RO/115, ROG 53
- That IA considered to be withdrawn: Art. 14(4), R. 29.1(a), Form RO/143, ROG 52-54
- Time limit to issue declaration: Art. 14(4), R. 30
- Rectification in national phase of errors concerning international filing date: R. 82ter.1

TELEGRAPH
telegraph number of applicant, agent or CRep,
indication in Dem. ................................................ R. 4.4(c), 53.4, 53.5
indication in Req. ................................................ R. 4.4(c)
telegraph numbers of Offices and international
Authorities ............................................................. Annexes B1, B2
Subject | Paragraph
--- | ---
use of telegraph to transmit documents or correspondence | R. 92.4(a)

**TELEPHONE**

communication by telephone between applicant and IPEA | R. 66.6

- telephone number of applicant, agent or CRep,
  - indication in Dem. | R. 4.4(c), 53.4, R. 53.5
  - indication in Req. | R. 4.4(c)
- telephone numbers of Offices and international Authorities | Annexes B1, B2

**TELEPRINTER**

- recommended indication of any teleprinter address of applicant, agent or CRep in Req. | R. 4.4(c)
- use of teleprinter to transmit documents or correspondence | R. 92.4(a)

**TELESCOPING**

- telescoping procedure (overlapping IS and IPEA) | R. 69.1(b), ISPEG 19.10

**TEMPERATURES**

- temperatures to be (also) expressed in degrees Celsius | R. 10.1(b)

**TERMINOLOGY AND SIGNS**

- generally | R. 10.1
- consistency | R. 10.2

**TERRITORIES, INDICATIONS OF**

- See TWO-LETTER CODES

**THERAPY**

- See TREATMENT

**TIME LIMIT(S)**

- generally | Art. 47
- computation of time limit(s) | R. 80, ROG 19
  - recomputation due to correction or addition of priority claim | R. 26bis.(c)
  - recomputation due to withdrawal of priority claim | R. 90bis.3(e)
  - delay in meeting time limit(s), excuse of/reinstatement | Art. 48, R. 82, 82bis, Guide National Phase, National Chapters
  - any time limit(s) fixed in Treaty or Reg. | Art. 48(1)
    - due to interruption in mail service | Art. 48(1), ROG 30
    - delay or loss in mail | Art. 48(1), R. 82.1(a)-(c), ROG 28
    - evidence that document/letter was mailed 5 days prior to expiration of time limit(s) in case of delay or loss in mail | R. 82.1(a), (c)
  - any time limit(s), excuse for reasons admitted under national law | Art. 48(2), R. 82bis, Guide National Phase, National Chapters
  - time limit(s) to perform acts referred to in Art. 22 | R. 49.6, Guide National Phase, National Chapters
  - Art. 39 | R. 76.5, Guide National Phase, National Chapters
  - expiration of time limit(s) on non-working day or official holiday | R. 80.5
  - translation for IS and payment of late furnishing fee considered received before time limit(s) | R. 12.3(d), ROG 71
  - extensions of time limit(s) for correction of Art. 14(1) defects before RO | R. 26.2, Form RO/138
    - certain defects before IPEA | R. 60.1(a), Form IPEA/427
    - national phase entry | Art. 22(3), 39(1)(a), R. 50, 77.1
    - for successor State | R. 32.2(a)(ii)-(b)
payment of
  handling fee..................................................... R. 58(b)(4)
payment of preliminary examination fee.................... R. 58(1)(b)
transmittal fee, international filing fee and search fee .... R. 16(4)(1)
later fixed time limit(s) for national phase entry.......... Art. 22(3), R. 50, 77
mailing of correspondence from national Offices
or IGOs constituting event from which time limit(s)
begin to run................................................................ R. 92.3, ROG 27
meaning of term “Time Limit” in Article 48(2)............. R. 82(b)(1)
modication by Contracting States of time limit(s)
fixed in PCT .......................................................... R. 81
time limit(s) applicable to applicants before
DO
  for amendments .................................................... Art. 28(1), R. 52
  for review by DO (Art. 25) ...................................... Art. 25(2)(a), R. 51.3
  to pay national fee and furnishing translation ......... Art. 25(2)(b), R. 51.1
  to request IB to send copies of documents
in the file .................................................................. Art. 25(1)(c), R. 51.2
reinstatement of rights after failure to perform
acts referred to in Art. 22 .......................................... R. 49.6, Guide National Phase, National Chapters
time limit(s) for observations on intended
refusal ........................................................................ R. 49.6(c)
to adapt IA for utility model to national law
concerning unity of invention ................................. R. 13.5
to correct
defects in correspondence (letter and signature) R. 92.1(b)
drawings which do not comply with
physical requirements .............................................. R. 49.5(g)
to furnish
copy and translation and pay
national fee ............................................................. Art. 22, R. 49
drawings which are not necessary for
understanding of invention ...................................... Art. 7.2(ii), R. 7.2
to request restoration of right of priority ............... R. 49ter(2)(b)(ii)
EO
correct defects in correspondence (letter and
signature) ................................................................. R. 92.1(b)
for amendments ..................................................... Art. 41(1), R. 78.1
