---

1. Legislative Decree No. 30 of 10 February 2005, Article 198(1).
2. Unless the international application claims the priority of a national application filed in Italy more than 90 days previously and such application has not been made subject of the official secrets regulation.

(30 March 2017)
Provisional protection after international publication:

Where the designation is made for the purposes of a European patent:

After publication by the EPO of the international application in a translation into one of its official languages furnished to it, the applicant may, as from the date on which a translation into Italian of the claims is made available to the public or communicated to the user, obtain damages and possibly the description and seizure of the articles infringing the patent and anything used in the making thereof.

Information of interest if Italy is designated (or elected)
