Provisional protection after international publication:

The applicant may, from the date of publication of the international application by the [Ministry of Economic Development and Trade of Ukraine, Department for Intellectual Property](#), claim payment of an indemnity from a person who was actually aware or notified in written form in Ukrainian, with indication of the number of the application, of the fact that information on the application for invention, which is used by that person without being entitled to do so, had been published. Such indemnity shall be effective only upon grant of the patent (Article 21, Parts 2 and 4 of UPL).

Information of interest if Ukraine is designated (or elected)

Time when the name and address of the inventor must be given if Ukraine is designated (or elected):

Must be in the request. If the data concerning the inventor are missing at the expiry of the time limit under PCT Article 22 or 39(1), the Office will invite the applicant to comply with the requirement within a time limit of two months from the date of receipt of the invitation.

Are there special provisions concerning the deposit of microorganisms and other biological material?

Yes (see Annex L)
