<sup>1</sup> Applicants may file with the International Bureau only if the national security provisions allow filing of patent applications abroad. Compliance with such provisions is the applicant’s responsibility and will not be checked by the International Bureau.

<sup>2</sup> The International Bureau is the only receiving Office for the following Contracting States: Angola, Antigua and Barbuda, Barbados, Kuwait, Lao People’s Democratic Republic, Madagascar, Nigeria, Saint Lucia, Saint Vincent and the Grenadines, Sri Lanka and United Arab Emirates.

<sup>3</sup> If the language in which the international application is filed is not accepted by the International Searching Authority (see Annex D), the applicant will have to furnish a translation (PCT Rule 12.3). If the language in which the international application is filed is not a language of publication and no translation is required for the purposes of international search (PCT Rule 12.3(a)), the applicant will have to furnish a translation of the application into one of the languages of publication (PCT Rule 12.4(a)).

<sup>4</sup> Where the international application is filed in electronic form in accordance with and to the extent provided for in Part 7 and Annex F of the Administrative Instructions, the total amount of the international filing fee is reduced (see “Fees payable to the receiving Office”). Where the international application contains a sequence listing as a separate part of the description, this should preferably be furnished in accordance with Annex C of the Administrative Instructions, that is, in compliance with WIPO Standard ST.25 text format; no additional fees are due for sequence listings filed in this format. Where, however, such sequence listings are filed in the form of an image file (e.g. PDF) fees are due for each page (see Official Notices (PCT Gazette) dated 14 May 2009, page 79).

15 For further details on the payment of fees see the WIPO web site at: [https://www.wipo.int/pct/en/fees/index.html#_methods](https://www.wipo.int/pct/en/fees/index.html#_methods).

16 Applicants who qualify for the 90% reduction of the international filing fee (see footnote 17) do not have to pay the transmittal fee.

17 This fee is reduced by 90% if the international application is filed by:

(a) an applicant who is a natural person and who is a national of and resides in a State whose per capita gross domestic product is below 25,000 US dollars (according to the most recent 10-year average per capita gross domestic product figures at constant 2005 US dollar values published by the United Nations), and whose nationals and residents who are natural persons have filed less than 10 international applications per year (per million population) or less than 50 international applications per year (in absolute numbers) according to the most recent five-year average yearly filing figures published by the International Bureau; or

(b) an applicant, whether a natural person or not, who is a national of and resides in a State that is listed as being classified by the United Nations as a least developed country; provided that, if there are several applicants, each must satisfy the criteria set out in either sub-item (a) or (b).

For further details of the applicability of the 90% reduction, see [www.wipo.int/pct/en/fees/ and Official Notices (PCT Gazette)](https://www.wipo.int/pct/en/fees/) dated 12 February 2015, pages 31 et seq., Schedule of Fees, item 5. It is to be noted that, if both the electronic filing reduction and the 90% reduction of the international filing fee are applicable, the 90% reduction is calculated after the electronic filing reduction.

18 The amount in parentheses is applicable as from 1 January 2020.

20 See footnote 6.

21 No fee is due where the priority document is established, in accordance with Rule 17.1(b), for the purposes of an international application nor where the Office is requested to make priority documents available via the WIPO Digital Access Service for Priority Documents (DAS) (see Annex B).
