**Does the Authority accept informal comments on earlier search results where an international application claims priority from an earlier application already searched by this Authority?**

Yes, the applicant may submit informal comments to overcome objections raised in the search report and written opinion for the priority application. At the Spanish Patent and Trademark Office this service is called “PCT Direct”. Informal comments should be sent to the receiving Office together with the international application in the form of a separate letter entitled “PCT Direct/informal comments” (“PCT Direct/comentarios informales”). PCT Direct submissions are published on PATENTSCOPE.

---

¹ This fee is payable to the receiving Office concerned in the currency or one of the currencies accepted by it (see Annex C). The fee is reduced by 75% where the applicant or, if there are two or more applicants, each applicant is a natural person or a legal entity and is a national of and resides in a State not party to the European Patent Convention and which is classified by the World Bank in the group of countries of “low income”, “lower middle income” or “upper middle income”, see www.wipo.int/pct/en/fees/oepm_fee_reduction.html.

² This fee is payable to the International Searching Authority and only in particular circumstances. Footnote 1 (except the first sentence) is also applicable.
