THE PROCEDURE IN THE NATIONAL PHASE

AG.01  **TRANSLATION (CORRECTION).** Errors in the translation of the international application can be corrected with reference to the text of the international application as originally filed (see National Phase, paragraphs 6.002 and 6.003).

AG.02  **FEES (MANNER OF PAYMENT).** The manner of payment of the fees indicated in the Summary and in this Chapter is outlined in Annex AG.I.

AG.03  **ANNUAL FEES.** Annual fees are payable in advance for each year starting one year after the filing date of the application for the grant of a patent. Where the period prescribed for the payment of the annual fee expires and payment of the said fee has not been made, the Registrar shall give the owner of the patent or the applicant, as the case may be, a period of grace not exceeding six months, within which he must pay the annual fee together with the surcharge for late payment of the annual fee (the amounts of the annual fees and the surcharge fee for late payment are indicated in Annex AG.I). If annual fees are not paid within the applicable time limit the patent shall lapse.

AG.04  **REPRESENTATION.** If the applicant has neither a residence nor a principal place of business in Antigua and Barbuda, he shall be represented by an agent registered before the Registrar of the Office, resident and practicing in Antigua and Barbuda.

AG.05  **APPOINTMENT OF AN AGENT.** The appointment of an agent shall be made by an authorization of agent set out in Form No. 7 (Annex AG.II) which shall be signed by the applicant or, if there are more than one, by each applicant. An attorney at law, resident in Antigua and Barbuda, who is the holder of a valid practicing certificate issued in Antigua and Barbuda may be appointed as an agent. An agent, resident in Antigua and Barbuda, who is not an attorney at law shall apply to the Registrar to be registered as an agent admitted to represent applicants before the Office upon payment of the prescribed fee.

AG.06  **EXAMINATION.** A patent will be granted only after examination as to substance which must be requested by the applicant within six months after the publication of the application in the Official Gazette and is subject to payment of a fee. If the request for examination is not submitted within the prescribed time limit, the application shall be deemed abandoned.

AG.07  **AMENDMENT OF THE APPLICATION.** The applicant may, upon payment of the prescribed fee, at any time before the patent is granted, make amendments to his application, provided that the amendment does not go beyond the original disclosure. The amount of the fee is indicated in Annex AG.I.

AG.08  **EXCUSE OF DELAYS IN MEETING TIME LIMITS.** Reference is made to paragraphs 6.022 to 6.027 of the National Phase.

AG.09  **REVIEW UNDER ARTICLE 25 OF THE PCT.** The applicable procedure is outlined in paragraphs 6.018 to 6.021 of the National Phase.
AG.10  **REINSTATEMENT OF RIGHTS.** Reinstatement of rights may be requested where the applicant, in spite of due care required by the circumstances having been taken, failed to perform the acts referred to in Article 22 within the applicable time limit. A request for reinstatement must be presented in writing within two months from the removal of the cause of the failure to observe the time limit or twelve months from the date of expiration of the applicable time limit, whichever time limit expires earlier. The Office shall not refuse a request for reinstatement of rights without giving the applicant the opportunity to make observations on the intended refusal within a time limit which shall be reasonable under the circumstances. The fee for reinstatement of rights is indicated in Annex AG.I.

AG.11  **RESTORATION OF THE RIGHT OF PRIORITY.** A request for the restoration of the right of priority may be filed with the Office where the applicant unintentionally or in spite of all due care required by the circumstances, failed to timely file the international application within the priority period (see National Phase, paragraphs 6.006 to 6.011). The Office shall not refuse, totally or in part, a request for restoration of right of priority without giving the applicant the opportunity to make observations on the intended refusal within a time limit which shall be reasonable under the circumstances. The fee for restoration of the right of priority is indicated in Annex AG.I.

AG.12  **UTILITY CERTIFICATE.** If the applicant wishes to obtain a utility certificate on the basis of an international application instead of a patent, the applicant, when performing the acts referred to in PCT Article 22 or 39(1), shall so indicate to the designated Office.

AG.13  **CONVERSION.** An international application for a patent may be converted into a utility certificate application and vice-versa at any time before the grant of a patent. The conversion is subject to the payment of a fee indicated in Annex AG.I.
