### How can payment of fees be effected?

All fees must be paid to the Bank of Costa Rica, Banco de Costa Rica, presenting evidence of the payment to the Registry together with the application.

---

1 This fee is reduced by 70% where the international application has been filed by natural persons, micro or small enterprises as defined in Law No. 8262 of Costa Rica, public institutions of higher education or public institutes for scientific or technology research. Together with the request for reduction of the fee, the applicant must provide, in addition to the proof of payment, the following documents: a sworn statement in which the applicant declares that he is entitled to the reduction, a copy of the identification card (“cédula de identidad”) in the case of a natural person or a copy of the corporation card (“cédula jurídica”) in the case of a legal person. To proceed with the registration of the transfer of rights to a third party which is not entitled to the reduction, the latter has to pay the remaining 70% of the fee that was not initially paid by the assignor. In addition, as from the date of transfer to a third party, the assignee has to pay the total amount of the annual fees due to maintain the validity of the patent.
