Exemptions, reductions or refunds of the national fee:

The fee for determination of state of the art is reduced by 50% where an international search report or an international preliminary examination report has been established and a Georgian translation thereof is submitted.

Special requirements of the Office (PCT Rule 51*bis*):⁶

Name and address of the inventor if they have not been furnished in the “Request” part of the international application⁷
 Deed of transfer where the applicant is not the inventor⁷
 Appointment of an agent if the applicant is not resident in Georgia
 Power of attorney if an agent or representative is appointed
 Furnishing, where applicable, of a nucleotide and/or amino acid sequence listing in electronic form

Who can act as agent?

Any person who is a resident of Georgia or registered to practice before the Office as patent attorney.

Does the Office accept requests for restoration of the right of priority (PCT Rule 49*ter.2*)?

Yes, the Office applies both the “due care” and the “unintentional” criteria to such requests

⁶ If not already complied with within the time limit applicable under PCT Article 22 or 39(1), the Office will invite the applicant to comply with the requirement within a time limit of two months from the date of receipt of the invitation.

⁷ This requirement may be satisfied if the corresponding declaration has been made in accordance with PCT Rule 4.17.

THE PROCEDURE IN THE NATIONAL PHASE

- GE.01 **TRANSLATION (CORRECTION).** Errors in the translation of the international application can be corrected with reference to the text of the international application as filed (see National Phase, paragraphs 6.002 and 6.003).
- PL Art. 25.1
47 GE.02 **FEES (MANNER OF PAYMENT).** The manner of payment of the fees indicated in the Summary and in this Chapter is outlined in Annex GE.I. The filing fee **must** be paid within one month from the date of **request for entry** into the national phase. The fee **for determination of the object of protection and the fee for determination of state of the art** must be paid within **two** months from the date of receipt of the **respective** invitations.
- PL Art. 25.3 GE.03 **DEED OF TRANSFER.** When the applicant is not the inventor, a deed of transfer must be furnished. There is no special form for this statement. Legalization is not required. For time limits, see the Summary.
- PL Art. 25.2 GE.04 **POWER OF ATTORNEY.** An agent or representative must be appointed by filing a power of attorney. A patent attorney registered to act before the Office may act as agent or representative.
- GE.05 **MENTION OF INVENTOR.** If the inventor prefers to remain anonymous, a special request must be made to the Office during the national phase.
- PCT Rule 51bis.1(e) GE.06 **PRIORITY DOCUMENT (TRANSLATION).** The Office may require the applicant to furnish a translation of the priority document into Georgian only in certain cases, and upon special invitation.
- PL Art. 47 GE.07 **FEE FOR GRANT.** A fee for grant (for issuing and maintaining a patent for the first two years) is required for the registration of a patent and publication of data concerning the grant of the patent and its maintenance in force during the first and second years. The fee for grant must be paid within **two** months from the date of **receipt of the invitation**. **Said invitation is sent if following** the decision to grant the patent **no opposition is filed within three months from the date of the publication of the application**. If the fee is not paid within the said time limit, the granting and publication of the Georgian patents will not take place and proceedings with regard to the Georgian application shall be terminated.
- GE.08 **MAINTENANCE FEE.** A maintenance fee is due as from the third year after the international filing date. If the decision to grant the patent is taken after the expiration of two years from the international filing date, the fee for granting the patent is payable together with a maintenance fee for the current year of grant of the patent and for any preceding years between the second year and the year of grant. All subsequent maintenance fees may be paid prior to the due date but at the latest before the expiration of six months from the due date. The amounts of the maintenance fees are indicated in Annex GE.I.
- PCT Art. 25
PCT Rule 51 GE.09 **REVIEW UNDER ARTICLE 25 OF THE PCT.** The applicable procedure is outlined in paragraphs 6.018 to 6.021 of the National Phase.
- PCT Art. 24(2)
48(2)
PCT Rule 82bis GE.10 **EXCUSE OF DELAYS IN MEETING TIME LIMITS.** Reference is made to paragraphs 6.022 to 6.027 of the National Phase.

- GE.11 Reinstatement may be requested where the applicant has failed to comply with a time limit during the international phase or before the Office. The request for reinstatement must be presented in writing within two months after removal of the cause of non-compliance with the time limit but not later than one year from the expiration of the time limit which has not been observed. The applicant must complete the omitted act and pay the reinstatement fee (indicated in Annex GE.I).
- PL Art. 13
17(c), (d)
PCT Rule 49bis.1
(a), (b)
76.5
- GE.12 **UTILITY MODEL.** If the applicant wishes his application to be treated as an application for the grant of a utility model, when performing the acts referred to in Article 22 or 39, he shall so indicate to the Office.
- PL Art. 17(d)
26.5
- GE.13 If the international application is for a utility model, the applicant must note the following requirements, which differ somewhat from those for patents:
- (a) The application may not be in respect of more than one invention.
 - (b) The application must contain only one **independent** claim.
- PL Art. 38
- GE.14 The utility model is subject to examination as to novelty by considering the registered applications and patents granted by the Office.
- GE.15 **The fee for grant** (for issuing and maintaining the utility model for the first two years) must be paid within **two months from the date of receipt of the invitation**. **The said invitation is sent if following** the decision by the Office to grant the utility model **no opposition is filed within three months from the date of publication of the application**.
- PL Art. 29(1.c)
- GE.16 **CONVERSION.** An international application for a patent may be converted into a utility model application after the applicant has complied with the requirements for entry into the national phase for a patent application, as indicated in the Summary. Conversion can be requested during the examination procedure.
- GE.17 An international application for a utility model may be converted into a patent application after the applicant has complied with the requirements for entry into the national phase for a utility model, as indicated in the Summary. Conversion can be requested during the examination procedure.
- PL Art. 35.3
- GE.18 An international application for a patent for which the examination fee has not been paid will be converted into an application for a utility model, if the applicant pays the examination fee for utility model not later than six months after the date on which the decision to **refuse** the patent **application** has been taken.
