THE PROCEDURE IN THE NATIONAL PHASE

KE.01 FORM FOR ENTERING THE NATIONAL PHASE. The Office has available a special form for entering the national phase (see Annex KE.II). This form should preferably (but need not) be used.

KE.02 TRANSLATION (CORRECTION). Errors in the translation of the international application can be corrected with reference to the text of the international application as filed (see National Phase, paragraphs 6.002 and 6.003).

KE.03 FEES (MANNER OF PAYMENT). The manner of payment of the fees indicated in the Summary and in this Chapter is outlined in Annex KE.I.

KE.04 EXAMINATION. The Office may subject the application to search and/or examination by competent authorities upon the request of the applicant and upon payment of a fee, the amount of which is indicated in Annex KE.I.

KE.05 REPRESENTATION. Where the ordinary residence or principal place of business of the applicant is outside Kenya, the appointment of an agent who is a citizen of Kenya and is registered to practice before the Office must be indicated for the purposes of national processing. This may be done on the form, a model of which is given in Annex KE.II.

KE.06 AMENDMENT OF THE APPLICATION; TIME LIMITS. The applicant may amend or correct the claims, description, and drawings in the international application at any time before the grant of the patent, provided that the scope of the subject matter of the application is not broadened thereby.

KE.07 ANNUAL FEES. For the due date of the first annual fee, see the Summary. A grace period of six months is granted for the payment of the annual fee upon payment of a surcharge. Where the applicant fails to pay the annual fee, the surcharge or both within the six month grace period he may, within a period of six months from the expiration of that grace period, apply to the Managing Director of the Office for the restoration of the patent or the application upon payment of the prescribed fee. The amounts of the annual fees and of the restoration fee are indicated in Annex KE.I.

KE.08 PATENT TERM. The patent term expires at the end of 20 years from the filing date.

KE.09 EXCUSE OF DELAYS IN MEETING TIME LIMITS. Reference is made to paragraphs 6.022 to 6.027 of the National Phase. The Managing Director of the Office may, in his discretion, excuse the delay in meeting any time limit subject to such terms and conditions as he considers appropriate.

KE.10 REVIEW UNDER ARTICLE 25 OF THE PCT. The applicable procedure is outlined in paragraphs 6.018 to 6.021 of the National Phase. Where an international application designating Kenya is considered withdrawn or alleged to have been refused a filing date on account of an error or omission by the receiving Office or the International Bureau, the applicant may request the Managing Director of the Office to treat the international application as a national application. Such request should be accompanied by a statement of facts.

KE.11 APPEALS. If, upon review under PCT Article 25, the Office denied an error or omission on the part of the receiving Office or the International Bureau, an appeal against this decision may be lodged with the Office. Appeals against a decision of the Managing Director are made to the Industrial Property Tribunal. Decisions of the Tribunal may be appealed to the High Court of Kenya and from there to the Court of Appeal.

(14 January 2010)
KE.12 **UTILITY MODEL.** If the applicant wishes to obtain a utility model instead of a patent in Kenya on the basis of an international application, it must be indicated in the international application (in Box V of the request) when filed. The fees relating to utility models are indicated in Annex KE.I.

KE.13 **CONVERSION.** The applicant may at any time before grant or refusal of a patent convert an application for a patent into an application for a utility model and vice versa.
