THE PROCEDURE IN THE NATIONAL PHASE

LR.01  **TRANSLATION (CORRECTION).** Errors in the translation of the international application can be corrected with reference to the text of the international application as filed (see National Phase, paragraphs 6.002 and 6.003).

LR.02  **FEES (MANNER OF PAYMENT).** The manner of payment of the fees indicated in the Summary and in this Chapter is outlined in Annex LR.I.

LR.03  **REPRESENTATION.** An agent must be appointed by filing a power of attorney if the applicant is not resident in Liberia. A model is given in Annex LR.II. If the power of attorney is not filed at the time of entry into the national phase, it may be filed within two months from the expiration of the time limit applicable under Article 22 or 39(1).

LR.04  **EXAMINATION.** The Office will examine or provide for the examination of patent applications as to substance. A request for examination must be filed which is subject to the payment of a fee. The request shall be deemed to have been filed when the examination fee has been paid. Failure to make the request within the prescribed time limit will cause the application to lapse.

LR.05  **AMENDMENT OF THE APPLICATIONS; TIME LIMITS.** Amendments and corrections to the description, claims and drawings may be made at any time during the patent procedure before the grant of the patent provided that the scope of the subject matter of the application is not broadened thereby.

LR.06  **ANNUAL FEES.** In order to maintain the patent or the patent application, annual fees must be paid in advance for each year starting one year after the international filing date. The annual maintenance fee shall become due on the eve of each anniversary of the international filing date. A period of grace of six months shall be allowed for the late payment of the annual fee on payment of the prescribed surcharge fee. If an annual fee is not paid, the patent application shall be deemed to have been withdrawn or the patent shall lapse.

LR.07  **REINSTATEMENT OF RIGHTS.** Reinstatement of rights may be requested where the applicant, in spite of due care required by the circumstances having been taken, failed to perform the acts referred to in Article 22(1) or 39(1)(a) within the applicable time limit. Any request for reinstatement of rights, shall be filed in writing within two months of the removal of the cause of non-compliance with the period, but at the latest within six months of expiry of the unobserved time limit. The request for reinstatement of rights shall not be deemed to have been filed until the prescribed fee has been paid. The request shall state the grounds on which it is based and shall set out the facts on which it relies. The omitted act shall be completed within the relevant period for filing the request.

LR.08  **REVIEW UNDER ARTICLE 25 OF THE PCT.** The applicable procedure is outlined in paragraphs 6.018 to 6.021 of the National Phase. If, upon review under PCT Article 25, the Office denies an error or omission on the part of the receiving Office or the International Bureau, an appeal against this decision may be lodged with the Office.
LR Sec. 13.25

LR.09 **RESTORATION OF THE RIGHT OF PRIORITY.** Where the international application claims the priority of an earlier application and has an international filing date which is later than the date on which the priority period expired but within the period of two months from that date, the Office shall, upon request of the applicant and payment of the prescribed fee, restore the right of priority with respect to that international application if the Office finds that the failure to file the international application within the priority period was unintentional or occurred in spite of due care required by the circumstances having been taken. The Office shall not refuse, totally or in part, a request for restoration of the right of priority without giving the applicant the opportunity to make observations on the intended refusal within a time limit, which shall not be less than three months counted from the date of notification.

LR Sec. 12.2

LR.10 **APPEALS.** The applicant may lodge an appeal against a decision of the Registrar General to the Director General within two months after the date of notification of the decision to him by the Office. No fee is required.

LR Sec. 13.28

LR.11 **UTILITY MODEL.** Subject to what is said in paragraph LR.12, if the applicant wishes to obtain a utility model instead of a patent in Liberia on the basis of an international application, he shall so indicate to the office when performing the acts referred to in PCT Article 22 or 39. A utility model certificate shall expire at the end of the 10th year after the date of the grant of the utility model, and shall not be renewable.

LR Sec. 13.29

LR.12 **CONVERSION.** An international application for a patent may be converted into a utility model application, and vice versa, at any time before the grant or refusal of a patent or a utility model certificate. Conversion is subject to the payment of a fee which is indicated in Annex LR.I. An application may not be converted more than once.
