

Dear Sir or Madam

I refer to your note C.8653 of 16 March 2017, in which you requested updated information on certain aspects of the applicable national patent law available at http://wipo.int/export/sites/www/scp/en/national_laws/exceptions.pdf

Could you please update Ireland's details on this webpage by inserting the following as number 9:-

9. Studies, tests, experiments, clinical and field trials that are necessary for the purpose of obtaining a marketing authorisation for a new, as well as a generic product for human and veterinary medicinal use.

Yours sincerely
