

## PERU

Wednesday, 9/30/2015

Dear Madam, Sir,

I am writing in relation to the Draft Revised Reference Document on the Protection of Country Names Against their Registration and Use as Trademarks. At this stage, Peru will not formulate comments about the text.

However, it should be mentioned that Peru is initiating contacts with WIPO in order to explore different avenues for the multilateral protection of nation brands.

Sincerely yours,

**Lily Escobar**
