

Georgia

Dear Madam/Sir,

On behalf of the Georgian National Intellectual Property Center – Sakpatenti, let me express gratitude towards the SCT for its comprehensive work, regarding identifying the areas of convergence given in the document SCT/35/4.

I would like to mention that Georgia takes into consideration the determined principles and acknowledges its position that the protection of country names should be an important issue for every member of the SCT.

I also would like to reiterate Georgia's support to the work of the SCT, which takes significant steps forward in developing of discussions on various important issues on the international level.

Sincerely yours,
