Dear Sirs,

Thank you very much for your below email and for inviting ECTA to send our proposals concerning aspects of *Graphical User Interfaces(GUI), icon and typeface/type fonts designs*.

We have studied the relevant documents made available by the SCT and we are of the opinion that they are very good, clearly structured and well elaborated. The work done by the SCT is finding our full support and we have no further comments as regards respective designs filings at this time.

Many thanks and kind regards,

ECTA Secretariat
