

1. Identification page

Please enter the ST.3 code and name of the member state or international organization you represent.

CL - Chile

Please enter the name of the office or organization you represent. For instance, Canadian Intellectual Property Office. If your organization name is the same as your ST.3 code name, you may put "n/a".

Instituto Nacional de Propiedad - INAPI Chile

Please enter your email address so we can contact you if we have questions about your response.

2. Questions page

1. In what formats does your Office/Organization ingest applications? Please select all that apply.

PDF

Paper

Other (specify): Formulario Web

Comments: La oficina cuenta con formulario web, en donde los solicitantes completan los datos Bibliograficos y se genera archivo PDF para el expediente.

2. How does your Office/Organization capture markups (insertions, deletions) in amendments, corrections, and rectifications? Please select all that apply.

Applicant submits clean copy of the amendments

Comments: Hay ocasiones en que se reemplazan paginas de lo presentado, por lo que el solicitante envia escrito indicando el reemplazo.

3. Does your Office/Organization provide initial content-based validations to applicants prior to submission to reduce the number of formality non-compliances?

No

Comments:

4. What does your Office/Organization validate prior to submission? Please select all that apply.

Other (specify): No aplica

Comments:

5. Metadata Scrubbing

Does your Office/Organization provide a scrubbing tool to remove unwanted metadata from the documents prior to submission?

No

If yes, which types of metadata are removed?

6. Does your Office/Organization provide a feedback document, additional document or online messages during the filing

process detailing potential problems within the submitted application documents based on the above validations?

Yes

Comments: Formulario web tiene validaciones respecto de completitud y de correlaciones de datos requeridos dependiendo la combinación de algunos de ellos.

7. What does your Office/Organization consider the authoritative copy of the submission?

Originally submitted application documents

Comments:

8. If your Office/Organization converts or plans to convert the submitted document to XML, in which format would you preserve embedded images? Please select all that apply.

Comments:

9. When the submitted document is transformed to XML, in what format does your Office/Organization preserve mathematical equations?

10. When the submitted document is transformed to XML, in what format does your Office/Organization preserve chemical formulae?

Comments:

11. When the submitted document is transformed to XML, in what format does your Office/Organization preserve table or tabular data? Please select all that apply.

Comments:

12. Is your Office/Organization moving away from paper-based rules for applicant submissions, such as page count, margins line spacing and focus more on the amount of characters/words in a document or file size?

Other (specify): La nueva legislación incluye tasas por exceso de hojas.

Comments: La nueva legislación, incluye tasas por exceso de hojas para el caso de Patentes, Modelo de utilidad y Diseños, por lo que es necesario definir interlineado y márgenes

13. If your Office/Organization is not considering moving away from paper-based rules, select the presentation elements your Office/Organization needs to preserve from the submitted application documents. Please select all that apply.

Comments:

14. Select the formats by which your Office/Organization displays or would display an application for examination or administration purposes. Select all that apply.

Originally submitted format using an appropriate software application

Comments: Todo documento se maneja en formato PDF.

15. Select the formats which your Office/Organization uses or would use to publish documents submitted by applicants.

Originally submitted format using an appropriate software application

Comments:

16. Specify the content management system your Office/Organization uses to store and manage documents. Please provide either names of commercial products or brief description of custom-built systems.

Utilizamos el sistema desarrollado por OMPI (Intellectual Property Administration System-IPAS) y el gestor documentos IPAS-EDMS.

17. In what formats do you publish your Official Gazette? Select all that apply.

Electronic format with paper-based layout (e.g. PDF)

Comments:

18. If you still publish in a physical format, are you considering discontinuing physical publication within the next five years?

No

Comments: El boletin oficial es electronico.

19. If you still publish in an electronic format with paper-based layout (e.g. PDF), are you considering discontinuing this format in favor of a purely digital format within the next five years?

No

Comments:

4. Thank You!
