

1. Identification page

Please enter the ST.3 code and name of the member state or international organization you represent.

KR - Republic of Korea

Please enter the name of the office or organization you represent. For instance, Canadian Intellectual Property Office. If your organization name is the same as your ST.3 code name, you may put "n/a".

Korean Intellectual Property Office

Please enter your email address so we can contact you if we have questions about your response.

2. Questions page

1. In what formats does your Office/Organization ingest applications? Please select all that apply.

XML in WIPO ST.96

Microsoft Word DOCX (free form, no template)

Paper

Comments: KIPO ingests applications in DOCX format only when they include provisional specifications.

2. How does your Office/Organization capture markups (insertions, deletions) in amendments, corrections, and rectifications? Please select all that apply.

Other (specify): Applicants submit amendments with the "corrections" or "deletions" arranged in sections according to each identification number and our Office generates a final copy by using a comparison tool.

Comments:

3. Does your Office/Organization provide initial content-based validations to applicants prior to submission to reduce the number of formality non-compliances?

Yes

Comments:

4. What does your Office/Organization validate prior to submission? Please select all that apply.

Missing required application parts

Informalities such as typographical errors or missing claim numbers

Improper claim dependencies

Comments:

5. Metadata Scrubbing

Does your Office/Organization provide a scrubbing tool to remove unwanted metadata from the documents prior to submission?

No

If yes, which types of metadata are removed?

6. Does your Office/Organization provide a feedback document, additional document or online messages during the filing process detailing potential problems within the submitted application documents based on the above validations?

Yes

Comments:

7. What does your Office/Organization consider the authoritative copy of the submission?

Other (specify): Online - originally submitted application documents(XML documents); Paper-based - XML documents digitalized from originally submitted documents

Comments:

8. If your Office/Organization converts or plans to convert the submitted document to XML, in which format would you preserve embedded images? Please select all that apply.

Original format if possible

TIFF

JPEG

Comments:

9. When the submitted document is transformed to XML, in what format does your Office/Organization preserve mathematical equations?

Originally submitted format

10. When the submitted document is transformed to XML, in what format does your Office/Organization preserve chemical formulae?

Originally submitted format

Comments:

11. When the submitted document is transformed to XML, in what format does your Office/Organization preserve table or tabular data? Please select all that apply.

Originally submitted format

Comments:

12. Is your Office/Organization moving away from paper-based rules for applicant submissions, such as page count, margins line spacing and focus more on the amount of characters/words in a document or file size?

We have already implemented it

Comments:

13. If your Office/Organization is not considering moving away from paper-based rules, select the presentation elements your Office/Organization needs to preserve from the submitted application documents. Please select all that apply.

Comments:

14. Select the formats by which your Office/Organization displays or would display an application for examination or administration purposes. Select all that apply.

Originally submitted format using an appropriate software application

Converted format used by our Office/Organization

Rendered XML

Comments:

15. Select the formats which your Office/Organization uses or would use to publish documents submitted by applicants.

More than one format

Comments: Our Office uses PDF and XML formats to publish documents submitted by applicants.

16. Specify the content management system your Office/Organization uses to store and manage documents. Please provide either names of commercial products or brief description of custom-built systems.

"FileNet P8 Image Manager" to manage submitted images and attached files; and "BizStore Exus" to manage XML documents of specifications.

17. In what formats do you publish your Official Gazette? Select all that apply.

Electronic format with paper-based layout (e.g. PDF)

Purely digital format (e.g. HTML pages)

Comments:

18. If you still publish in a physical format, are you considering discontinuing physical publication within the next five years?

Comments:

19. If you still publish in an electronic format with paper-based layout (e.g. PDF), are you considering discontinuing this format in favor of a purely digital format within the next five years?

No

Comments:

4. Thank You!
