STATEMENT OF GRANT OF PROTECTION

(Rule 18bis of the Common Regulations under the Hague Agreement)

The above-identified U.S. patent issued from an international design application. The international registration number corresponding to the international design application is:

DM/095202

The International Bureau is hereby notified that upon issuance of the above-referenced U.S. patent protection is granted in the United States to those industrial design or designs that are the subject of the international registration, as received from the International Bureau or, where applicable, as amended before the Office, and covered by the patent. A copy of the above-identified U.S. patent is communicated with and forms part of this statement.

Primary Examiner — George D. Kirschbaum

(57) **CLAIM**

The ornamental design for a sports and fitness equipment, as shown and described.

DESCRIPTION

1. Sports and fitness equipment
 1.1 Perspective view
 1.2 Exploded view
 1.3 back view
 1.4 enlarged view
 1.5 enlarged view

The article of subject design represents a stylized fencing sword consisting of precast components: a blade with a tip, a grip, a guard and a weight; the mass of the equipment may be changed through weight replacement with another of greater or lesser weight; both blade and its grip are coated with silicone; the tip is also made from silicone; the article is used for training, where the fitness activities and exercises are practiced with such equipment.
