与参会人员显示名称

The screenshot shows a Zoom meeting window. At the top, there's a title bar 'Zoom Meeting' and window controls. Below it is a header bar with participant names: 'WIPO John DOE' and 'VV WCH', and language channels: 'English 1 Channel', 'Chinese 1 Channel', and 'French 1 Channel'. The main area displays a slide with the WIPO logo and text: 'Lunch Break Resumes at 3:30PM', 'Committee on Development and Intellectual Property (CDIP)', and 'Thirtieth Session'. At the bottom is a toolbar with icons for Unmute, Start Video, Participants, Polls, Chat, Share Screen, Interpretation, Reactions, More, and Leave. Chinese annotations with leader lines point to various elements: '与参会人员显示名称' points to the participant names; '选择另一个话筒音源' points to the Unmute icon; '当允许发言时, 总是“开启视频”' points to the Start Video icon; '在屏幕右侧显示聊天' points to the Chat icon; '选择口译语种' points to the Interpretation icon; '举手请求发言' points to the Reactions icon; '如果看不到 interpretation 或 Reactions, 可以在“More (更多)”下找到它们。' points to the More icon; and '退出会议' points to the Leave icon.
