Attn: RO/US

Sir:

Responsive to the Invitation to Correct Defects in the International Application dated 21 October 2015, transmitted herewith are sixteen sheets of formal drawings.

This communication is also responsive to the Invitation to Furnish Nucleotide and/or Amino Acid Sequence dated 21 October 2015.

Applicant submits herewith a Sequence Listing in electronic format as required by Rule 13^{ter}.1(a).

The information in the.txt format does not go beyond the disclosure in the international application as filed.

Should the International Authorities have any questions, a telephone call to the undersigned attorney for the Applicants would be appreciated.

Respectfully submitted,

/Pamela J. Sherwood, Reg. No.36,677/
